

Dear FBI, IRS, Arizona AG's Office & Sedona Police Dept.,

As per last week's email. If racketeering, attempted murder and murder are still crimes worthy of investigation then we would ask you to review the following information and allocate resources accordingly. This week's bulletin contains three **BONUS CRIMES** committed by senior cult gang member Dr. Julio E Williams MD. In addition, we provide here, a link to a PDF entitled, '[Geoffrey Reynolds CPA - His Lack of Honesty and Integrity Explained](#)'. This document details Geoffrey Reynolds' role in Patton West's cult / criminal gang.

**Is Devra Patton West Criminally Insane or Just a Vicious Criminal? And What About Accomplices Dr. Julio Williams MD and Geoffrey Reynolds CPA?**

*Above: A Mentally Disturbed P<sub>s</sub>ychopath who says she has been preparing to lead humanity for thousands of years! In reality Patton West has been the leader of a cult / criminal racketeering gang that has operated in three western states for 30 years. When a fraud victim went public about her crimes Williams & Reynolds joined Patton West in an attempt to murder him.*

Above right: Dr. Julio E Williams MD and Geoffrey Reynolds CPA both senior members of Patton West's cult / criminal racketeering gang and both willing accomplices in the attempt to murder whistleblower, John Watson, in 2007. When Patton West's plot to murder Watson failed, Williams & Reynolds agreed to be part of Patton West's 2010 conspiracy to bankrupt Watson into silence by launching multiple frivolous lawsuits against Watson, in the hope he could not afford to defend them. The main objective being to force his websites down.

**MOTIVE FOR MURDER? MILLION OF DOLLARS A YEAR LOST BECAUSE NO ONE WOULD BELIEVE PATTON WEST'S LIES AND PROPOGANDA ABOUT BEING A 'DIVINE' BEING IF THE TRUTH ABOUT HER CRIMINAL PAST WAS UP ON THE INTERNET!**

On the 25 February 2021, Watson sent a [detailed letter to Dr. Julio E Williams](#) (with copies to the FBI and the police) detailing the ongoing campaign of intimidation being directed at him, his wife and children by Patton West. Watson also asked Williams why, after receiving 500 plus emails complaining about this intimidation, did Williams not pass these emails to the authorities? Well, the obvious answer is that Dr. Julio E Williams MD is a 20 year student and apprentice of Patton West's unaccredited school for occult studies, as well as being a senior member of her cult / criminal racketeering gang. Dr. Williams has also pledged millions of dollars to cover his cult leader's legal costs, as is made clear by a [threatening expletive laden email](#) Williams sent to Watson in January 2007.

*Above left: Dr. Julio Williams MD on bended knee before Patton West the leader of his cult / criminal racketeering gang. Even now Dr. Williams continues to provide Patton West with a stream of fake testimonials. Above right: Her Brazilian counterpart 'John of God' another Occult Thief recently arrested for racketeering and rape. Notice how all the evil people wear 'white.'*

Previous bulletins have also detailed Geoffrey Reynolds' role in the conspiracy against Watson which, in addition to [announcing Watson's impending murder](#) days before Patton West's failed attempt on his life, included making [totally false statements](#) to a Montana court. You can review a recent bulletin about Reynolds' role in Patton West's conspiracy against Watson by [going here](#).

*"Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward."*

*Geoffrey Reynolds CPA 2014*

Our bulletins have two objectives:-

1. *To persuade the FBI and law enforcement in Arizona to launch an investigation into the murder by Patton West of one of her students, Lisa Swidler, in 2005. And to launch an investigation into the 2007 attempted murder of fraud victim, John Watson, who turned whistleblower in 2006.*
2. *To warn the public in Sedona Arizona of the very real danger of associating with an obviously mentally disturbed psychopath who, using occult knowledge, has according to her ex-husband murdered several others who 'opposed' her.*

**PROOF THAT PATTON WEST WAS / IS RUNNING A CULT AND IS MENTALLY ILL AND THEREFORE A DANGER TO THE PUBLIC.**

In the letter sent to Dr. Julio E Williams MD on 25 February 2021, John Watson, a victim of fraud and attempted murder, made the case, quoting the work of Janja Lalich a PhD, that most cult leaders were mentally ill. What makes Patton West so dangerous is the occult (hidden) knowledge she possesses which she uses to rob, defraud, extort and murder her victims with.

Above: Devra Patton West who, after acquiring occult (hidden) knowledge in 1991, declared herself to be an incarnated Ascended Master (think Jesus). Above right handing out worthless pieces of paper to the 'sheeple' in her cult.

Patton West has been doing this for 30 years, knowing that the [weapon she uses](#) is not regarded as a weapon under legal statute. Her ability to murder those who oppose her, with no consequences to her or her accomplices, is the sole basis upon which she claims to be a 'Divine Being.' It is also why Geoffrey Reynolds CPA announced Watson's murder days before her failed attempt on his life knowing that, were the attempt to be successful, the police would not be able to link Patton West to Watson's sudden death.

To help establish what a cult is, Watson referred to the material published by Janja Lalic on the [Cult Research](#) website. The following slides were sourced from her material. The arrows and comments are Watson's who has given us permission to publish his letter to Dr. Julio E Williams MD. Janja Lalic also made the case that most rank and file members of cults were also mentally ill. Certainly, Dr. Julio E Williams' mental health must be called into question, given that in his public life he is a thoracic surgeon and yet, in the shadows, he is a leading member of a Satanist cult.

Below is an excerpt from Watson's letter to Williams which can be read in full by going [here](#).

#### Slide 5. Mental Illness.

**Organizations to Avoid Because They Will Only Take Advantage of You.**

-  **Mental Illness**  
For decades there have been studies about the various **mental issues that cult leaders and their followers have**. Most cult leaders have **Narcissistic personality disorder**. Symptoms include an **excessive need for admiration**, **disregard for others' feelings**, an **inability to handle any criticism**, and a **sense of entitlement**. As for the followers, most people who join a cult are just going through a mental crisis and that cult seems to offer relief or fulfillment. For the most part, the mental state plays an important role in people who join a cult or is a **cult leader**
- 
- 
- 
-  **Symptoms of psychosis** include delusions and hallucinations (seeing or hearing things that others do not see or hear). Other symptoms include incoherent or nonsense speech, and **behavior** that is inappropriate for the situation.

There is little doubt in my mind that Patton West, as the **leader of her own cult, is mentally ill**. That Patton West is suffering from a **Narcissistic Personality Disorder** is also not in doubt. The big question concerns Dr. Julio E Williams MD. Is he mentally ill or just totally corrupt?

#### HERE ARE THE FACTS CONCERNING PATTON WEST BASED ON NEWSPAPERS, LEGAL DOCUMENTS AND VICTIM AND WITNESS STATEMENTS.

Patton West was run out of New Mexico at the point of a gun in 1995 and forced to leave Montana in 2009 after becoming the subject of two arrest warrants and a conviction for assault. Then there were the several visits to court as the defendant in fraud related lawsuits, one of which resulted in the sale of her assets at a Sheriff's Sale to force her to pay past victims of crime \$2,000,000 in court fines and interest.

The negative publicity in the Montana newspapers rendered her criminal racketeering business model 'dead in the water', forcing her to relocate to Arizona in 2010.

Above from left to right: The July 2007 Whitefish Pilot, the August 2007 Bigfork Eagle and October 2008 Ravalli Republic and the April 2008 Whitefish Pilot news article announcing Patton West's conviction for assaulting Dr. Pat Cole MD.

The [Whitefish Pilot](#) newspaper leads with Patton West's assault on Dr. Pat Cole MD and lists several other crimes being committed by Patton West and her accomplices in Montana. [The Bigfork Eagle](#) newspaper also leads with the assault on Dr. Pat Cole MD and delves into a number of Patton West's corporations, many of the involuntarily dissolved or revoked! An in depth analysis of both newspaper articles can be found [here](#). The [Ravalli Republic](#) newspaper focused on the judgment the courts granted John Watson after being defrauded by Patton West. Finally in April 2008, Patton West was found guilty of assaulting Dr. Pat Cole MD – no mention of the \$1.3 million Patton West successfully extorted from Cole, details of which can be reviewed in these documents. (1) (2) (3) (4) (5) (6). Patton West's response at being found guilty of assaulting Dr. Pat Cole MD and defrauding John Watson was to issue two statements on her website denying both crimes. #### Mental Illness

For decades there have been studies about the various **mental issues that cult leaders and their followers have**. Most cult leaders have **Narcissistic personality disorder**. Symptoms include an **excessive need for admiration, disregard for others' feelings, an inability to handle any criticism**, and a **sense of entitlement**. As for the followers, most people who join a cult are just going through a mental crisis and that cult seems to offer relief or fulfillment. For the most part, the mental state plays an important role in people who join a cult or is a **cult leader**

**Symptoms of psychosis** include delusions and hallucinations (seeing or hearing things that others do not see or hear). Other symptoms include incoherent or nonsense speech, and **behavior** that is inappropriate for the situation.

**SYMPTOMS OF MENTAL ILLNESS** include **excessive need for admiration, disregard for other's feelings, an inability to handle any criticism** and a **sense of entitlement**. Nothing describes Patton West's sense of entitlement as the following image taken from a recent bulletin. The image contains the phrase **"It will be your privilege to financially seed my transition. It is not my need but rather your need."**

#### AN EXAMPLE OF PATTON WEST'S SENSE OF ENTITLEMENT.

The above statement was published in a [missive](#) sent to her entire cult in 2005, entitled 'Financial Form Building.' Go to page 2 and scroll down to paragraph 7. Regarding Dr. Julio E Williams MD, one wonders when he joined Patton West's cult in 2000, twenty years ago, whether he was going through a **mental crisis?** And does being a member of a cult / criminal racketeering gang bring him **relief and fulfillment?**

## **PATTON WEST, WILLIAMS, REYNOLDS AND THE REST OF THE CULT FORCED TO LEAVE MONTANA IN 2010.**

After being defrauded in 2002, John Watson launched a fraud lawsuit against Patton West which he won in 2008. Here is a copy of the [judgment](#) and here is a copy of the [financial award](#) given by the court. In 2006 Watson put up a website to counter the lies and defamations being posted by Patton West on her website about him and several other victims of crime. The website also acted as a warning to the public about the dangers of associating with Patton West and her cult / criminal racketeering gang. When Watson, confronted Patton West in March 2003 about her criminal activities (while publicly masquerading as a 'divine being') Patton West responded with the following comment, and I quote, "It doesn't matter what is actually true." You can hear her say that in her own voice by following link (3.) below. In other words, the truth does not matter if she can convince the public that her lies are their truth.

1. [Devra West refers to John Watson as 'Prince Charming.'](#)
2. [West agrees she has defrauded John Watson but does not see herself paying him!](#)
3. [West says that the truth does not actually matter if she can convince the public that her lies are their truth.](#)
4. [West acknowledges that she is a control freak and admits to disposing of people like used Kleenex.](#)
5. [West goes berserk and in an expletive laden tirade accuses the whistleblower of exploiting her vulnerability!](#)
6. [West says she feels stabbed in the back and f\\*cked up the arse by Watson's insistence that West pay her the \\$50,000 she owes him. West has an emotional melt down and leaves in hysterics!](#)
7. [West threatening to get down and f\\*cking dirty huge expenses coming out of Watson's pocket not hers.](#)

## **PATTON WEST'S CULT / CRIMINAL RACKETEERING BUSINESS MODEL WAS 'DEAD IN THE WATER' AS LONG AS WATSON'S WEBSITE WAS UP ON THE INTERNET.**

REALITY	PROBLEM	SOLUTION	ILLUSION
	TRUTH POSTED ON-LINE SHOWING PATTON WEST TO BE A PATHOLOGICAL LIAR, A THIEF, A MURDERER & SUSPECTED SERIAL KILLER.	ATTEMPTED MURDER, CRIMINAL CONSPIRACY AND AN ON-GOING CAMPAIGN OF VIOLENT INTIMIDATION AGAINST WATSON & FAMILY.	

**When the threats against Watson failed to deter him, Patton West recruited two senior members of her cult to:-**

1. **Be complicit in a plot to murder Watson.** Senior cult member **Geoffrey Reynolds CPA** [announced Watson's murder](#) to the local press on August 9 2007, just days before Patton West made a failed attempt on Watson's life. At the same time he announced Watson's impending murder, Reynolds also announced a campaign of violent intimidation against Watson, his wife and children which is ongoing. Reynolds stated that, and I quote, "Watson will be dead or in jail for reacting to what Patton West was going to do to his wife and children."
2. **When murder failed, bankrupt into silence.** When the murder plot failed and Patton West's campaign of violent intimidation against his wife and children failed to stop him, Patton West put Plan 'B' into operation. This involved [Patton West and 'liar for hire' Geoffrey Reynolds](#) launching multiple frivolous (without merit) lawsuits against Watson. The cost of these lawsuits were entirely funded by senior cult member **Dr. Julio E Williams MD** who [personally allocated \\$2,000,000](#) for the 'project.'

The truth is an absolute defense against defamation but only if you can afford to defend the truth in a court of law. Watson had successfully sued Patton West for fraud and got judgment against her in 2008. However, after emigrating abroad in 2005 and after spending tens of thousands of dollars on a fraud lawsuit lasting 5 years, Watson could not afford to travel to the US and defend against Patton West's and Reynolds' lies.

*As the illustration above makes clear the courts are set up for the benefit of those who make a living from them. Justice is not the objective. 'Practicing' the law is the objective. As a result the winner is often the person with the most money to spend.*

In recording number (2.) above Patton West freely admits that she has defrauded Watson but does not see herself writing out a check for what she owes. In recording number (7.) [West threatening to get down and f\\*cking dirty huge expenses coming out of Watson's pocket not hers.](#) Patton West makes it very clear that if she is sued, there will be huge expenses coming out of Watson's pocket but not hers because cult / gang member Dr. Julio E Williams will pay her legal expenses.

**This is what criminals do if they cannot intimidate you or murder you. They 'buy' the law they want by outspending their victims in court.**

**WATSON AND HIS FAMILY ARE JUST ONE SET OF VICTIMS. THERE ARE SCORES OF VICTIMS AND, IF WATSON AND PATTON WEST'S EX-HUSBAND ARE TO BE BELIEVED, SEVERAL VICTIMS OF MURDER.**

Above left to right. Occult thief / suspected serial killer Patton West. Ex-student Lisa Swidler murdered to keep her quiet. Fraud victim turned whistleblower John Watson targeted because he went public. An employee overheard Patton West planning Dr. Pat Cole's murder. Ex-student Marion Cantwell a victim of extortion was told she would be killed if she went to the police.

**AFTER FORCING DOWN WATSON'S WEBSITE, PATTON WEST RELOCATED TO ARIZONA WHERE SHE REINCARNATED HERSELF WITH A NEW NAME, NEW FAKE LIFE STORY. SHE IS CURRENTLY TARGETING SPIRITUAL SEEKERS IN SEDONA.**

Before providing incontrovertible evidence that Patton West, and perhaps Dr. Julio E Williams are mentally ill, let us once again review the experts opinion on the mental health of cult leaders and cult members.

**Slide 5. Mental Illness.**

**Organizations to Avoid Because They Will Only Take Advantage of You.**

**Mental Illness**  
 For decades there have been studies about the various **mental issues that cult leaders and their followers have**. Most cult leaders have **Narcissistic personality disorder**. Symptoms include an **excessive need for admiration, disregard for others' feelings, an inability to handle any criticism, and a sense of entitlement**. As for the followers, most people who join a cult are just going through a mental crisis and that cult seems to offer relief or fulfillment. For the most part, the mental state plays an important role in people who join a cult or is a **cult leader**

**Symptoms of psychosis** include delusions and hallucinations (seeing or hearing things that others do not see or hear). Other symptoms include incoherent or nonsense speech, and **behavior** that is inappropriate for the situation.

We have seen above, how Patton West uses and abuses members of her cult, employees and business consultants. Let us now review some of the other SYMPTOMS OF PSYCHOSIS that she exhibits.

**THE FOLLOWING WAS RECENTLY TAKEN FROM HER WEBSITE AND FACEBOOK PAGES.**

*Above: The images above are evidence that Patton West is mentally ill and or criminally insane. Patton West's behavior clearly indicates a narcissistic personality disorder and gives us all an insight into the delusional fantasy world she exists within.*

1. As a “regent of the spiritual hierarchy” etc. This is just bullshit, like her assertion that she is [The Regent of the Masters](#) (i.e. above Jesus Christ), [The Western Regent](#) (spiritual overlord to the western hemisphere), [The Mother of Ten Thousand Suns](#), [The Mataji](#), [Divine Mother](#), she has been preparing [to lead humanity for thousands of years](#), is [holding open the gates of time](#) and who received her two doctorates [from the Christ in person](#) etc.

2. Five years from now, Patton West will be recognized as one of America’s most vile and despicable villains. A ruthless and cold blooded criminal who, using her occult hidden knowledge has robbed, defrauded extorted money from, and mentally and physically abused countless victims. Then there are the several suspected murders her ex-husband, Jack West, maintains she is guilty of. This, confirmed by the whistleblower John Watson who Patton West tried to murder in 2007.

Below is a photo of her ‘family’ which is posted on her website [here](#). This, like all the other lies are part of the propaganda used to lull the public into thinking this vile creature is a guru. Since Patton West has posted this photo on her website, and in doing so made it public, we have no qualms in breaking down the illusion.

Above: (1.) Patton West a criminally insane narcissist who wants us to believe she has been planning to lead humanity for thousands of years. (2.) Her son Chris Haywood has all the charm of a rattlesnake. (3.) Jack West a leading member of the West crime family since the 1980's. (4.) Daughter Anna West presumably OK with the organized crime as long as the money flows?

### **The Patton West family is a CRIME FAMILY just like the TV series THE SOPRANOS.**

Patton West's (1) business model involves theft, fraud, extortion and murder. However, Patton West has a huge advantage over Tony Soprano in that the weapon she uses to facilitate theft, fraud, extortion, intimidation and murder, is not recognized as a weapon by legal statute. This explains why Patton West is still at large after 30 years of organized crime. As with the Mafia, 'if you mess with the dough, you gotta go.' Which is why when fraud victim John Watson went public with information like you are reading now, she conspired with Geoffrey Reynolds and Julio Williams to murder Watson.

Son Chris Haywood (2) has a [criminal record](#) for forgery, substance abuse and traffic violations. Patton West is a vile, evil despicable creature with no redeeming feature. She used her [secret weapon](#) against both her son's ex-wives in an attempt to [subvert two child custody court cases](#). Jamie mentioned the occult attacks against her in a [harrowing email](#) she sent to the whistleblower on July 08 2007, and in court while giving evidence. Like mother like son.

To understand Jack West's (3) role in Patton West's criminal racketeering business model, I would suggest the reader review the following four documents; all of which show Jack West to be a pathological liar.

1. After discovering John Watson's website in 2007, Jeremy Samuelson wrote to Watson via [email](#) about Jack West. In the email, Samuelson referred to Jack West as his land partner, a timid man with little experience. He goes on to say that she overwhelmed him and was soon running him.
2. [AJ White's](#) statement about the 2001 assault on Susannah Felder by Patton West which led to the victim being partially scalped. All the victim did was ask Patton West why she was stealing \$80,000 to pay for Chris Haywood's (see (2) above) legal fees, which had nothing to do with the charity.
3. When giving evidence at the fraud trial in 2007, Jack West told the court that John Watson forced him to write [the letter](#). Watson's lawyer stood up and asked Jack West if he realized that to falsify a statement to the INS could result in 10 year jail sentence. Jack West withdrew his lie.
4. After Patton West was found guilty of assaulting Dr. Pat Cole MD and found guilty of defrauding John Watson, three newspaper articles were published about these lawsuits. In response to the stories published by the [Whitefish Pilot](#), [Bigfork Eagle](#) and the [Ravalli Republic](#) newspapers, Jack West posted a lengthy propaganda statement on his then wife's website denying any of this has happened. You can read his entire statement by going [here](#). Below is the first paragraph or so of that statement.

**“She remains utterly free of wrongdoing and as ethically virtuous as any human being can be.”**

## MODERN ENLIGHTENMENT

### *The Mother and Grandmother*

While we are not accusing Anna West (4) of being directly involved in thirty years of racketeering we do note that, in spite of being totally aware that her mother is a vicious criminal, Anna West keeps providing her mother with 'Instagram' type photos (like the one above) which her mother then posts on her website to create the illusion that Patton West is a caring human being. Instead of the reality which is that she is a dangerous psychopath and a suspected serial killer. In addition to being friends with Diane Stoner and Kathleen Francisco (see above audio statements) Anna West was also friends with House Keeper Tanya Hurley, Personal Secretary Barbara Costantino and Student Debra Coffey. Tanya refers to Anna in a [statement](#) she gave John Watson and asserts that Anna's mother is mentally ill. Barbara Costantino makes it clear in her [statement](#) to John Watson that after every victim of crime leaves Patton West lies about the circumstances of their departure to cover her own ass. Student Debra Coffey was the mother of Anna West's best friend in 2002. In a [statement](#) Debra gave to John Watson she refers to the violence Patton West meted out to students and employees as part of the brainwashing and conditioning. Anna West knew exactly what was going on then as she must do now.

## **WHAT FOLLOWS ARE SOME WELL DOCUMENTED EXAMPLES OF 'ENLIGHTENED HOUSEHOLDING.'**

### **Five examples from Patton West.**

1. Patton West, in front of a crowd, [ripped part of the ear away](#) from a student who called her out in a lie.
2. Patton West [partially scalps an employee](#) who caught her stealing \$80,000 from the charity she worked for.
3. Patton West repeatedly [hits her business partner over the head with the heel of her shoe](#) until blood runs down the victim's blouse.
4. Chris Haywood's wife, Jamie, refers to the verbal and physical lashings administered by Patton West towards her and the employees who worked for her. She also relates how Chris Haywood got in a fight with his mother Patton West and how he held her by the throat up against the wall. Patton West responded by licking his face from top to bottom! Go to [Page 90 of the transcript](#) for the child custody hearing.
5. Patton West is [overheard saying](#) that she does not care if she murders her business partner Dr. Pat Cole MD, because as an enlightened being, she can just as easily live in a 6' X 6' jail cell as in a \$6,000,000 mansion.

### **Four examples from her son Chris Haywood.**

1. Chris Haywood forces his underage girlfriend to have an abortion, as it would not look good when he goes to court to fight for custody of his infant daughter from his wife. [Page 86 of the court transcript.](#)
2. Chris Haywood breaks the nose of his heavily pregnant second wife because he thought she was looking at other men. [Page 88 of the court transcript.](#)
3. Jamie Haywood relates how, while she was eight months pregnant, she had a row in the car with Chris Haywood who then stopped the car, forced her out, and left her out in the wilds. The police came and gave her a lift home. [Page 93 of the court transcript.](#)
4. Jamie Haywood alleges that Chris Haywood would jerk himself off in front of the TV, watching pornography, while Jamie's female friends and children were in the house. [Page 109 of the court transcript.](#)

## **PATTON WEST IS CURRENTLY INVITING HUGE CASH DONATIONS FROM THE PUBLIC IN ARIZONA BASED ON LIES, DECEIT & PROPAGANDA. THIS IS MAIL & WIRE FRAUD.**

## **HOWEVER, THERE IS A VERY REAL DANGER TO THE PUBLIC.**

Defrauding the public out of cash donations based on a fake life story / bio is just the tip of the iceberg. The latest con involves Patton West selling 'fake cures for cancer' to those dumb enough to attend her ['Private Sessions'](#) & ['Private Audiences'](#) as advertised on her website. The secret of Patton West's ability to control and manipulate others is her use of an [occult \(hidden\) weapon](#).

#### Slide 5. Mental Illness.

**Organizations to Avoid Because They Will Only Take Advantage of You.**

- Mental Illness**  
For decades there have been studies about the various **mental issues that cult leaders and their followers have**. Most cult leaders have **Narcissistic personality disorder**. Symptoms include an **excessive need for admiration, disregard for others' feelings, an inability to handle any criticism, and a sense of entitlement**. As for the followers, most people who join a cult are just going through a mental crisis and that cult seems to offer relief or fulfillment. For the most part, the mental state plays an important role in people who join a cult or is a **cult leader**
- Symptoms of psychosis** include delusions and hallucinations (seeing or hearing things that others do not see or hear). Other symptoms include incoherent or nonsense speech, and **behavior** that is inappropriate for the situation.

**Clearly Patton West is mentally ill and so maybe Dr. Julio E Williams MD. That is for a judge and jury to determine. What we do know is this:-**

1. When fraud victim turned whistleblower, John Watson, went public about Patton West's crimes in Montana, Williams & Reynolds conspired with Patton West in 2007 to 'silence' Watson by murdering him.
2. When the murder plot failed, Williams & Reynolds conspired with Patton West to bankrupt Watson into silence by mounting multiple frivolous civil lawsuits against Watson; the cost of which was [funded to the tune of \\$2,000,000 by Williams](#). Unable to defend these lawsuits, Patton West was awarded \$5,000,000 with the same amount awarded to Reynolds, who had simply [photo copied Patton West's lies](#) to the court and submitted them as his pleadings to the court as though they were facts.

Again, Many Thanks to All Concerned,

Julio Williams MD

Board of Directors  
Omni Institute for the Divine Sciences  
Sponsors for Rishi Devra

*Above: Meet the proud director of the 'Omni Institute' the latest in a long line of corporations that have been used as a vehicle for organized crime by Patton West and Dr. Julio E Williams MD. How does he find the time for his day job?*

The next time Patton West, Williams & Reynolds attend court, it will be a criminal court. When that happens, the court will learn that in addition to being a 'board member' of 'Omni Institute for the Divine Sciences,' that Patton West is currently using to facilitate organized crime, they'll learn that Dr. Julio E Williams fulfilled the same role with the corporations she used to facilitate crime in Montana. Below is what the [Bigfork Eagle](#) newspaper had to say about Patton West's businesses in August 2007.

Out of six businesses mentioned in West's literature, only one remains active and in good standing with the Montana Secretary of State office -- Sacred Environments LLC. Two were never registered -- Divine Unity Foundation and Millennium Mind Institution; two were involuntarily dissolved -- Surya Enterprises Unlimited and Global Guardianship Initiative; and one was involuntarily revoked -- Sacred Archive Institute.

Between 2007 & 2009, Patton West acquired two arrest warrants (1) & (2), a [conviction for assault](#) and was forced to sell her assets at a [Sheriff's Sale](#) to pay past creditors \$2,000,000 in court fines and interest. At the very same time, Dr. Julio E Williams MD was busily 'marketing' Patton West to the Montana public as a saint as part of a massive fraud scam. Just as he is doing now in Arizona. Below is an excerpt from the 'gushing' statement Williams posted on Patton West's website. You can view the entire statement by [going here](#) to this web page and scrolling two thirds of the way down the page.

Above: Part of Dr. Julio E Williams' biography as it appeared on Patton West's website in 2007 / 2009 timeframe. Patton West is not a doctor of anything unless you count the two doctorates she told her students the Christ awarded her in person. Clearly Dr. Julio E Williams MD is mentally ill or he has been a willing accomplice in racketeering and murder for the past 20 years.

Again we make the case that Williams knew all about [the lies](#), [the crimes](#), her [fake life story](#), the [false career opportunities](#), the [fake miracle cures](#) and the [fake testimonials](#). Williams is directly involved in selling the fake miracle cures even to the extent of [providing his own home](#) as a venue for the crimes to take place. And many of the fake testimonials are from him!

**2A. FIRST BONUS CRIME FROM WILLIAMS.** On Patton West's website, alongside Williams gushing sycophantic testimonial for his cult / gang leader, was the image depicted below.

Patton West called this property 'The Living Waters Healing Center'. However, the 'healing center' did not exist and the property being depicted in the image belonged to Robert and Tabby Ivy, who did not give Patton West permission to use it in her brochures or on her website. This is what the owners said about the matter when interviewed by the [Whitefish Pilot](#) newspaper on July 12 2007.

*A third Lakeside property -- the well-known Osprey House on Angel Point, owned by Robert and Tabby Ivy -- is promoted in the Surya Ma Enterprise brochure as the "Surya Devi VIP Retreat Spa." Tabby Ivy refutes that claim. "Devra consistently misrepresents her involvement with our house, erroneously saying she has an offer on it, but we have had no formal offer nor accepted any from her," she said. "After I saw our house in her brochure, I walked into her office and said, 'I don't want my house on any of your marketing materials.' For two years, she claimed she was going to buy our home. She wrote a bad check for several million dollars to the Realtor, and that was our experience with her."*

IT IS INCONCEIVABLE THAT WILLIAMS WAS UNAWARE THAT PATTON WEST DID NOT OWN THE PROPERTY! IT IS INCONCEIVABLE THAT WILLIAMS DID NOT KNOW THAT PATTON WEST WAS ASKING FOR PUBLIC DONATIONS FROM HER WEBSITE FOR A HEALING CENTER THAT DID NOT EXIST. MAKING WILLIAMS COMPLICIT IN THE FRAUD.

**2B. SECOND BONUS CRIME FROM WILLIAMS.** On July 12 2007, the Whitefish Pilot newspaper published a lengthy story about the crimes being committed by Patton West and her accomplices in Montana. Chief amongst those crimes was the assault by Patton West upon Dr. Pat Cole MD in April 2006. Days after the assault Patton West issued a written statement to her entire mailing list admitting the assault and admitting the assault was severe. Within the missive, entitled 'The Law of Severity on the Path to Purification' Patton West sought to justifying the assault on Cole by asserting that Cole was a Nazi in the WWII death camps in another lifetime. Dr. Williams received a copy of the missive via email on 17 April 2007 and yet, when the story went public on July 12 2007, Williams posted two statements on Patton West's website denying the assault and vilifying the victim and the newspaper for publishing 'fake news.' News that Williams knew to be true! Below are links to the two statements of denial Williams posted on Patton West's website.

[Williams Statement 1](#)      [Williams Statement 2](#)

It is also worth noting that in an email sent to John Watson in March 2007, by Patton West's then office manager Rebecca West, that Williams had donated \$100,000 so that Patton West could defend herself in court against a crime she had admitted in writing on April 2007. Go [here to read that email](#). Scroll down to the second paragraph on the second page.

**2C. THIRD BONUS CRIME FROM WILLIAMS.** Upon arrival in Arizona, Dr. Julio Williams MD, knowing that Patton West has viciously brutalized three women in her cult, posts a statement on Patton West's website asking for donations for the 'Divine Feminine.' You can review the statement in full by [going here](#).

**EMPOWERING FUNDING for the DIVINE FEMININE**  
Manifesting the New Potential for Healing & Enlightenment

**Julio Williams, MD**  
Cardiovascular & Thoracic Surgeon  
Director, Golden Flame Foundation

Dear Friends and Fellow Seekers,

It is with profound purpose that I personally reach out to you to invite your support for Rishi Devra's outreach for spiritual awakening. As a master teacher of profound relevance, our fall fundraising goals assure that her service endeavors for healing and enlightenment will continue to build momentum throughout the fall and winter months. For over 14 years, I have witnessed her illumination in the thick of every day life, as well as the astounding beauty and power of her teachings. We are indeed very blessed that a master teacher of her caliber is amongst us during for this time of global upheaval, as she fulfills her mandate "to awaken the few, who will influence the many."

Williams does this knowing full well that employee [Susannah Felder](#) was partially scalped by Patton West after she challenged Patton West about an \$80,000 donation Patton West had stolen from the charity. Student [Beatrice McGuire](#) had part of her ear dislodged from her head after a vicious attack by Patton West in front of tens of witnesses. And finally, Patton West's business partner [Dr. Pat Cole MD](#), was repeatedly hit over the head by the heel of Patton West's shoe until blood ran down Cole's blouse. The violence part of a campaign of intimidation by Patton West that resulted in the extortion of \$1.3 million from Cole. Williams is totally aware of all of this but as a senior member of Patton West's cult / criminal gang it is his role to obey her wishes however illegal or immoral.

3. In addition to 'winning' the defamation lawsuits, because Watson could not afford to travel to the US to defend against Patton West's lies, Patton West was awarded an injunction forbidding Watson sharing what he knew about Patton West's criminal past. However, instead of the cult admitting that Williams' money 'bought' the law they wanted, which included the injunction, Williams posted a lengthy statement on the internet which told a completely different story. Williams' statement, which he signs off as a '[Board Member of Omni Institute for Divine Sciences](#)' asserts that the injunction came about not because of his money outspending Watson, but as the result of an independent investigation by a judge into cyber-crime. This is what Satanists do - they reverse everything. Racketeering and Murder becomes 'Divine Science' and Patton West, whose business is largely reliant on internet / cyber-crime / wire and mail fraud, accuses one of her victims of being guilty of cyber-crime! To read Williams' statement about the injunction go [here](#).

Above: Dr. Julio E Williams MD is a pathological liar. Not content to have been complicit in the attempted murder of the whistleblower and the funding of the conspiracy to bankrupt him also totally misrepresents the injunction he 'bought.'

If you have come this far, you have read some of the truth that Williams and Patton West have tried to hide from the public by first attempting to murder Watson and then secondly by trying to bankrupt him into silence. The truth has not gone away. An injunction does not nullify the truth however much Williams tries to spin it. The injunction just means Watson cannot share the truth. Who does that serve? For William's to put up \$2,000,000 of his own money must mean that hiding the truth must be worth much. Much more!

★★★★ dangerous physician!!  
Self-verified patient of Dr. Julio E Williams - Posted on June 24th, 2011  
This MD appears caring but has a long history of not taking care of his patients post-operatively. He does not work well with the hospital staff/physicians and has had several complications and deaths. Superficially he appears ok but call his old hospitals in south texas and northeast tx.... he has been run out of each of them!! If you see him sun the other way FAST!!!!

*Above: According to at least one of his patients Williams is a dangerous physician. Williams spends so much of his time on his knees in front of the leader of his cult / criminal racketeering gang it is a wonder he has any time at all for medicine.*

4. After a failed murder plot and a failed attempt to bankrupt Watson did not bury the truth, both Williams & Reynolds agreed to be complicit in Patton West's ongoing attempts to silence Watson via a campaign of violent intimidation directed at him, his wife and children. Both Williams and Reynolds have received over 500 emails each complaining about the intimidation and yet, neither of them have handed this information to the police or FBI. I wonder why not?

There can be no logical reason as to why Williams would send a threatening email (see below) to a total stranger other than the obvious reason. Williams was, and remains, a senior member of Patton West's cult / criminal racketeering gang.

Subject: The line in the sand has been drowned!

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. I have personally allocated Two million dollars for Dr. West defense and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

Williams, along with Reynolds (another total stranger to Watson), were willing accomplices in Patton West's conspiracy to force down Watson's websites and stop him sharing what he knew about Patton West's criminal past with the public. Plan 'A' was to murder Watson. When that failed Plan 'B' was to bankrupt Watson into silence. Why else would Williams 'allocate' \$2,000,000 to defeat Watson if Williams was not a member of Patton West's cult / criminal racketeering gang? The fact that Williams continues to issue 'testimonials' to Patton West as part of a huge on-going fraud / extortion scam speaks volumes.

**WILLIAMS IS GUILTY OF RACKETEERING AND COMPLICITY TO COMMIT MURDER. IF IT WALKS LIKE A DUCK AND QUACKS LIKE A DUCK THEN IT PROBABLY IS A DUCK!**

Dr. Julio E Williams MD grew up in the Dominican Republic where Voodoo (black Magic) was a recognized religion. Being a member of a Satanist cult led by a white woman like Patton West, must be like a dream come true to someone as corrupt as Williams. He approves of her use of [Shamanism](#) and the occult to control and manipulate others and when necessary, likes the fact that she can murder with impunity. Williams has been apprenticed to Patton West for 20 years just so that he can learn how to manipulate and abuse people just like she does. This explains his total devotion to her, however illegal and immoral her actions even to the point of destroying his career and going to jail. Which is exactly where Williams is heading.

### Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

**Note to Essentia Health or any other prospective employer.** Why, knowing the truth about Williams, would anyone employ a [pathological liar](#) like Dr. Julio E Williams MD? Why would any medical establishment take the risk of letting a [shit show](#) like Dr. Julio E Williams MD, wield a scalpel over an unconscious patient? Dr. Julio E Williams MD continues to provide Patton West with a stream of 'testimonials' and even recently, provided his own home as a venue for her to 'sell' fake cures for cancer.

**Julio Williams** So simple a teaching and yet so profound! Specially when one becomes the receiver of such experience through the many actions of life. Through your wisdom I have been able to integrate this teaching after so many lessons learned. Thank you Rishi Mother for your divine grace and for having the patient of ten thousands saints as you embrace us all where we find ourselves in this journey. My humble salutations to thy lotus feet.

### **GEOFFREY REYNOLDS CPA – AGREED TO BECOME AN ACCOMPLICE IN RACKETEERING AND COMPLICITY TO COMMIT MURDER FOR A PAYMENT OF \$300,000.**

When we made this information available to McSwain & Co., Reynolds' current employer, their first response was to sanitize Reynolds' online resume to remove all mention of his 'employment' with the cult / criminal gang between 2006 & 2014 and then later to remove Reynolds' photograph from their website.

*Above left: At first all mention of Reynolds' involvement with the cult / criminal gang between 2006 & 2014 was removed from his on-line resume. Above right: Then his resume was reduced still further and his photograph removed.*

Then they rearranged their website completely. It is not for us to impugn McSwain & Co.'s motives for sanitizing Reynolds' resume entry on their website, but the result is to hide Reynolds' criminal past from the public and existing clients. As one can see from the evidence above, Reynolds should not be given access or trusted with client's confidential records. Then there is the huge risk any employer takes in having Reynolds as an employee, even if he is hidden from view, as we are 100% certain that Reynolds is going to trial for racketeering and complicity to commit murder.

To review a detailed analysis of Reynolds' involvement in Patton West's cult / criminal racketeering business model [go here](#).

*Above: Geoffrey Reynolds CPA a pathological liar who would sell his wife and children if the price was right. The price for the murder of the whistle-blower and, when that failed, being part of a criminal conspiracy to bankrupt him was \$300,000!*

This campaign's objective is to force a criminal investigation into Patton West's criminal racketeering business model which she has operated in three western states over the past 30 years. During that time, it is estimated that she has netted some \$30 to \$50 million from theft, fraud and extortion. There are literally scores of victims of organized crime, some mentally and physically abused and perhaps several, according to the whistleblower and Patton West's ex-husband, murdered. Reynolds (and Julio Williams MD) agreed to become willing accomplices in the conspiracy to murder Watson, and when that failed, bankrupt him into silence after he went public about Patton West's criminal activities in Montana.

The same occult (hidden) weapon used to intimidate victims and witnesses into not going to the police, is used to extort millions of dollars a year from victims suffering from cancer and other illnesses. Dr. Julio E Williams MD is directly involved in these crimes to the extent that he has supplied his own home as a venue for extortion. [Go here](#) to learn about Dr. Williams' involvement in 'Sacred Sundays with Rishi.'

Above: Patton West a criminally insane narcissist who believes that she is a god on a mission to lead humanity. Her only credentials for this belief is the fact that for the past 29 plus years she has robbed, defrauded and extorted money from scores of victims recruited into her cult with almost zero consequences for herself. She treats the police and law courts with utter contempt knowing that she can secretly intimidate victims and hostile witnesses and field false witnesses from her cult.

To get an idea of the extent of Patton West's criminal activities, please visit these web pages:- [The Lies.](#) [The Crimes.](#) [Fake Bio.](#) [Fake Miracle Cures.](#) [Fake Career Opportunities.](#)

Above: Occult thief / suspected serial killer Devra Patton West believes that her ability to use the occult to commit serious crimes, to intimidate victims and witnesses into silence and to murder those who oppose her, makes her a minor deity worthy of worship. Geoffrey Reynolds & Julio Williams market her to the public as such, deny the crimes she commits, and conspired with her to murder John Watson when he turned whistleblower.

In closing, Patton West is a dangerous psychopath, a murderer and we suspect a serial killer. Williams & Reynolds are willing accomplices in Patton West's crimes, and like her, they hope the authorities will continue to ignore her crimes and not investigate. Watson and family are one set of victims. There are literally scores of victims over three decades from three western states.

If anyone is thinking of attending a 'private intensive' or 'private audience' with this criminally insane narcissist, we would say this:-
