Subject: Help me w/ Devra Patton West

Dear Mr. Watson,

I am the office manager for Devra West and have been for the past 10 months in Lakeside, MT. Please, for my own safety, I need you to help me w/o her finding out. I am in danger and afraid. I cannot sleep again and found you through your website. I have read most all your files as Devra assigned me the task in order to assist Attn. Karl Rudbach. I have been sick for the past week but last I knew, you lost your attorney, unable to be served and attempting to settle...with all hope and prayer we can stop this monster. I do not have any money and am very afraid of losing my home. Hendrickson and so many others seem to be inline ahead of me...

I know everything, and for Dr. Cole and I, is currently a safety issue. Law enforcement and legal counsel are currently investigating. Upon making contact with you, I will proceed with documentation and exposure. My priority is the back wages, etc with the MT Wage and Labor Board. My knowledge of and support goes to Dr. Cole for the severe beatings she suffered at the hands of Devra over an extended period of time. My care to the finance controller and his family for the money she has extorted.

Please be advised that the CPEA \$'s obtained with Dr Cole's funds are due into the bank account this week. These monies were supposed to be available over a year ago and if the transaction is not a fraud then \$30M will be deposited in increments. Much behind the scene work is being done and needs to continue as we network out in silence until this happens. I give it 1 maybe 2 weeks and then it is time to go to the media with the additional 30+ employees she has assaulted and cheated out of their money here in the Flathead Valley. I been told that Dr. Phil talked about her on his very popular TV show, maybe he would like to do it again.

I have to decide today if I am going back after 7 days of sick leave. Please call me or write today!
