

Subject: Rishi Devra was forced to leave Montana in 2011 after two newspaper articles revealed her 'Divine Being' routine was a front for a Murderous Criminal Racketeering Business.

TWO NEWSPAPER ARTICLES REVEAL DEBBIE WEST'S 'DIVINE BEING' NARRATIVE TO BE PART OF A GIANT RACKETEERING CRIMINAL FRAUD / EXTORTION SCAM THAT IS NOW TARGETING VICTIMS IN SEDONA & SCOTTSDALE AZ.

FBI / IRS - EVIDENCE OF MURDER, ATTEMPTED MURDER, RACKETEERING AND THE INTIMIDATION OF VICTIMS & WITNESSES BY DEVRA PATTON WEST.

In 2007, two Montana newspaper articles revealed that Devra Patton West was the head of a criminal racketeering business model hidden inside a cult that was disguised as a 'religious organization.' With so much negative publicity around her many criminal acts, it was obvious that the 'divine being' routine was not going to 'fly' in Montana so Devra West and her accomplices were forced to move their criminal activities to Arizona – the third Western state within two decades. On the way, Devra West dropped the Ascended Master 'Surya Ma' identity and reincarnated herself as the Ascended Master 'Rishi Devra' of the Royal Path.

Devra West told the whistleblower in March 2003, and I quote, "The truth does not matter if you can convince your audience that your lies are their truth." Follow [this link](#) to hear her say it in her own words! Since 2011, Devra West has spent hundreds of thousands of dollars trying to convince the spiritual / metaphysical community in Sedona and Scottsdale that her lies are their truth.

Recently, the criminally insane narcissist Devra Patton West elevated herself to the status of 'Planetary Regent' – clearly just being a 'divine being' / Ascended Master was not enough ~~bullshit~~ status even for this occult thief / suspected serial killer.

Part of the bullshit / propaganda to be found on her current website, states that this narcissist was called to be a 'world server' at age 7. Below is a small excerpt from the propaganda that can be found on her website. To see the original follow this link to her totally fake ["life journey."](#)

"She received her first spiritual initiation at the age of seven, being spontaneously flooded with wave after wave of light, experiencing the direct presence of the Great Masters. Enveloped in divine illumination for many days thereafter, she received her "call to serve the world."

Does this [foul mouthed rant](#) sound like the kind of thing a 'Divine Being' would say? No of course not but these words were spoken by Devra West to the whistleblower in March of 2003 after he, one of scores of victims of theft, fraud and extortion, announced he was going to sue her for fraud. A lawsuit he won in 2008.

Devra West has three things going for her that have made her murderous criminal conspiracy possible over the past 27 years.

1. While attending a course between 1990 & 1991 at the ["Robert Jaffe School for Energy Mastery"](#) (itself a cult) Devra West acquired occult knowledge that enabled her to inflict pain, suffering, injury and even death on those she targets with total plausible deniability. For example in 2005, after her charity was [struck off for fraud](#) and running low on cash flow to fund her expensive life style she defrauded \$30,000 from one student [David Kushner](#) and kidnapped, held captive and extorted tens of thousands of dollars from a second student [Marion Cantwell](#). Both students were too afraid to go to the police and a third, a witness to both crimes Lisa Swidler, was murdered by Devra West to keep her quiet after she fled the cult. There was no an investigation into any of these crimes because the 'weapon' used by Devra West to commit the murder and intimidate witnesses is not regarded as a weapon by legal statute! Lisa Swidler's death was pronounced as 'death by natural causes' due to internal bleeding.

2. She hides her criminal racketeering activities inside a quasi-religious outer shell and, using religious freedom laws, tell as many lies about herself as she wishes and then publishes a website that invites \$500,000 donations from the public based on those lies. Apparently 'mail and wire' fraud does not apply to anyone remotely 'religious.'
3. She has an inner circle of accomplices, 'liars for hire' who are prepared to lie to the police, lie to the courts and issue statements of denial on West's websites. This happened in July 2007 even though the crime was committed in front of many witnesses, the police were called, Devra West was charged with assault, was later convicted of assault.

Geoffrey Reynolds CPA

Dr. Julio Williams MD

Jack West

Above here are the three senior members of West's cult / criminal racketeering gang with **Geoffrey Reynolds CPA** playing a key role in Montana between 2006 and 2011 when he was complicit in a plot to murder the whistleblower, when that failed conspired with Devra West to bankrupt the whistleblower by making false statements to a Montana court, money laundered the proceeds of crime (\$470,000 extorted from a local female doctor) through West's business and fraudulently applied for \$33,000,000 in CPEA grant money.

Let us now analyze the [Whitefish Pilot](#) & [Bigfork Eagle](#) news articles (that ended her career as the Ascended Master 'Surya Ma' in Montana) to see if we can find any evidence of 'world service' as opposed to acts of 'self-serving' criminality. I'll number the points of interest and give the back story to each below the news article.

Spiritual leader has plans for healing center in Whitefish

Posted: Thursday, Jul 12, 2007 - 02:35:11 pm PDT

By CONSTANCE SEE
Whitefish Pilot

A self-styled clairvoyant and spiritual healer from Lakeside who claims the Osprey House on Angel Point as a future VIP spa faces criminal charges stemming from an alleged assault on a Whitefish doctor. [1]

Devra Patton West's goal of opening a series of healing spas -- including one in Whitefish -- has been stalled while she fights allegations ranging from black magic to fraud, extortion and breach of contract. [2]

A temporary restraining order against West, who calls herself Surya Ma, was issued by Judge David Ortley last October after Dr. Patricia Cole, of Whitefish, requested protection. Cole was the director for one of West's ventures, The Sacred Archives Institute. [3] They worked together for several years. In her statement to the county sheriff's office, Cole claims West abused her verbally and physically.

"She has told me that she has the 'spiritual' power and authority to 'take me out,' to be composted," Cole wrote in the temporary restraining order statement. [4]

Cole claims West threw a lamp at her and hit her with a briefcase, cell phone and her hand. "She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes," Cole's statement reads. "She threatened to kill me with a gun to my head, 'blowing my brains out,' and advised me to commit suicide by slitting my wrists, after I'd taken out an insurance policy on myself." [5]

Photos taken after the alleged beating were submitted to the sheriff's office.

When the Pilot asked about Cole's claims, West said her attorney advised her not to comment on the misdemeanor charge. A hearing for a jury trial is scheduled for later this month. [6]

An author and speaker, West claims she recognized her clairvoyant and healing gifts at age six when she began "interacting and communicating with archangel Michael," according to her book "The Christ Heart." [7]

West claims to have been trained in shamanic visioning and healing by Native American elders and to have been both a Cheyenne medicine woman and General George Patton in past lives. [8]

She also claims her "gifts" can heal people with various illnesses, including leukemia, and she plans to teach what she knows to cardiologists and other physicians when her plan for healing spas unfolds. "If you ever saw me heal, you'd be down on your knees crying like a friggin' baby," West said. [9]

According to her biography, West went back to school at age 38 after raising her children. She graduated from the College of the Redwoods in 1994 with degrees in social science and humanities. [10]

After graduating, she founded the Divine Unity Foundation and the Sacred Archives Institute in Victor, Montana. [11] The institute was charged with organizing and recording her ongoing monthly "transmissions" -- channeled telepathic messages that come at 3 a.m. from a group she calls the Ascended Masters, some living, some not. They include Master Jesus, Buddha, St. Francis of Assisi, Confucius, Zoroaster, Mohammed and Babaji. [12]

Michael and Lori Hendrickson, of Colorado, worked with West in Victor and paid off a promissory note for West's foundation in 2005 to prevent foreclosure. They are now suing West, the Sacred Archives Institute, West's husband and Dr. Cole for breach of contract, claiming West moved the money out of the foundation to a personal trust. [13]

Here in the Flathead, West ran into problems over several properties where she lived. On June 1, she was evicted from a \$2 million Lakeside waterfront home when she failed to pay a second \$50,000 down payment. She then moved into another Lakeside with her son and daughter-in-law. "All she got out of the house was her cat," said Larry Phillips, a Realtor with Land Rush Realty. [14] When asked about the eviction, West said a few weeks away from home were worth the trouble. She claims to be negotiating a better deal on the property due to a water rights dispute. [15] According to court documents, West is behind in payments on the second home. The issue has not yet been resolved, according to one of the homeowners, Larry Brazda. [16]

A third Lakeside property -- the well-known Osprey House on Angel Point, owned by Robert and Tabby Ivy -- is promoted in the Surya Ma Enterprise brochure as the "Surya Devi VIP Retreat Spa." Tabby Ivy refutes that claim. "Devra consistently misrepresents her involvement with our house, erroneously saying she has an offer on it, but we have had no formal offer nor accepted any from her," she said. "After I saw our house in her brochure, I walked into her office and said, 'I don't want my house on any of your marketing materials.' For two years, she claimed she was going to buy our home. She wrote a bad check for several million dollars to the Realtor, and that was our experience with her." [17]

One more lawsuit dogs West's plans to move forward with healing retreats in Lakeside and in Whitefish at the former North Valley Hospital site. Her former business consultant and stockholder in Millennia Mind, John Watson, is suing her for fraud, constructive termination and breach of contract. Watson claims he was not paid for the services he provided, including setting up stock in Millennia Mind. [18]

"She told me the Masters decided they didn't want stock, out of the blue, no discussion, and that was that," Watson said. "She is an evil and dangerous woman." According to Watson, when he demanded payment and threatened to sue, West psychically attacked him and his family by sending migraine headaches from Lakeside to their home in Nova Scotia. [19]

Watson created the Web site www.universalteachings.com, where he accuses West of a host of offenses ranging from extortion to black magic. "Our attorney told us to just let him hang himself with the Web site," West said when asked why she allows the Web site to continue. West has filed a libel suit against Watson, but he said he has not yet been served. [20]

More information about Devra West's organization is available online at www.universalteachings.org.

DOES ANY OF THE ABOVE REMOTELY RESEMBLE THE ACTIONS OF A 'WORLD SERVER?'

FBI / IRS - EVIDENCE OF MURDER, ATTEMPTED MURDER, RACKETEERING AND THE INTIMIDATION OF VICTIMS & WITNESSES BY DEVRA PATTON WEST.

Let us analyze each point one at a time.

[1.] Devra West was charged with assault in April 2007; on April 17 2007 she wrote a long missive entitled ['The Law of Severity on the Path to Purification'](#) to her cult mailing list within which she admitted to assaulting Dr. Cole MD, admitted that the assault was severe but stated that the assault was administered with grace. She went on to say that the beating was long overdue as the victim was a Nazi in the WWII death camps in another lifetime! No mention of the \$1.3 million she extorted from the victim.

[2.] The allegations that West uses black magic / occult knowledge, more specifically West's use of Shamanism which she admits to being a practitioner of in this news article, to intimidate her victims comes from multiple sources. West's office manager [Rebecca West](#) (no relation to Devra West) wrote a harrowing email to the whistleblower in March 2007 wherein she states, and I quote:-

"I need support in how to deal with her shamanic witchcraft. Can you tell me more?"

Then there is West's then daughter in law [Jamie Haywood](#) who became a target of occult attacks after she decided to divorce Devra West's porn loving wife beating son and seek custody of their infant daughter. Then West's neighbor [Michelle Fetveit](#) became the target of occult attacks after getting into a water dispute with Devra West. The whistleblower has, at the time of writing, been the subject of these attacks for 11 years. All these victims had one thing in common they were all at one time in dispute with Devra West. Devra West, a pathological liar, ridicules the victims claims relies on the fact that the even if the authorities believed the victims there is nothing they could do as the weapon is not recognized as a weapon by legal statute.

This was made clear when in July 2007, as after the above news article was printed, both Dr Cole MD, and several favorable witnesses to her assault by Devra West, came under a campaign of constant 'under the radar' occult attacks from Devra West whose aim was to intimidate the victim and friendly witnesses into withdrawing their statements to the police. Several victims phoned the Flathead police who took their claims seriously enough but stated that as the 'weapon' being used to commit the violent assaults was not regarded as a weapon by legal statute there was nothing the police could do. They did suggest that the victims launch a lawsuit against Devra West based on 'intent to cause harm.' There are

now so many victims that a criminal investigation would unravel countless examples of 'intent to cause harm' against scores of victims.

[3.] After Devra West's charity 'The Circle of Divine Unity' was [struck off for fraud](#) in November 2003 Devra West changed the name of the operating company / business container for her racketeering scam from the 'Sacred Arts Institute' to the 'Sacred Archives Institute' this allowed her and her students (cult members) to continue to refer to the organization as S.A.I.

"She remains as utterly free of wrong doing and as ethically virtuous as any human being can be."

Ex-husband and senior cult member Jack West. 2008

[4.] Yes, because West's knowledge of the occult acquired between 1990 & 1991 (see what fellow classmate [Satya](#) had to say about her including the fact she was defrauded out of \$6,000) allows her to commit murder and have those murders appear as though the victim died of natural causes then this equates, in the mind of a deeply disturbed psychopathic person / personality as 'spiritual authority.' The murder of Lisa Swidler and the attempted murder of the whistleblower is a good example of Devra West's spiritual authority. The statement from employee [Carlida Finch](#) is evidence that Devra West did consider the murder of Dr. Cole MD, who I suspect was only spared after handing over \$1.3 million to Devra West.

[5.] Yes, this statement neatly aligns with Devra West's comment to the whistleblower after he threatened to sue her for fraud. Basically she told him that if he sued her, she would get so down and f**king dirty, huge expenses coming out of his pocket and not hers (because cult member Julio Williams would pay for her legal expenses). Follow [this link](#) to hear Devra West say this in her own voice.

[6.] West was later found guilty of assaulting Dr. Cole MD but did not turn up at the hearing, giving the excuse that she was in the Yucatan making a film about the Mayans! Here is a newspaper article announcing her conviction.

Here is clarification by WFP from Richard Hanners, the editor of the Whitefish Pilot newspaper, in response to a letter from the cult claiming that Devra West had not ever admitted her guilt (except to

200 on her mailing list when she wrote the missive [‘The Law of Severity on the Path to Purification!’](#), therefore she not be described as being found guilty in the news article!

The April 24, 2008, Whitefish Pilot contained the following article.

Spiritual guru pleads guilty in assault

A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain.

Her trial had been scheduled to begin Tuesday at 9 a.m. in Flathead County Justice Court.

After entering her plea, Devra West was sentenced to a six-month deferred jail term and fined \$500.

Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her.

Justice of the Peace David Ortley issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.

West’s trial was postponed from March 11 after she failed to show up for a March 7 pretrial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan prophecies.

West’s trial originally was scheduled for April 2007.

Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.

I was not working at the Pilot that week. I went to see my father in Washington. After I returned, the publisher, Tom Kurdy, asked me to run a clarification. He wrote the clarification and e-mailed it to me. This is what ran on May 1, 2008:

A headline in the April 24 issue of the Pilot said that Devra West had pleaded guilty in an assault case in Flathead County Justice Court. West actually entered a no-contest plea, as noted in the story. The Associated Press Stylebook says that when a defendant enters a no-contest plea, “it means that he is not admitting guilt but is stating that he will offer no defense. The person is then subject to being judged guilty and punished as if he had pleaded guilty or had been convicted.” Because imposition of the sentence was deferred, the charges will be dropped in six months and expunged from West’s record.

**Richard Hanners
Editor Whitefish Pilot**

Devra West posted a statement on her website within days of the above appearing in the press denying that she had been found guilty of assault, stating that the authorities had dismissed the charges and expunged the details from the records and then proceeds to accuse the victim of the very crimes she committed against Dr. Cole MD! Another example of Devra West and her cult trying to convince the public that their lies and propaganda are their truth!

Court Rules to Dismiss Bogus Assault Case:

All allegations have been expunged from court records. Irregularities perpetrated by Cole to court officials, more than indicated Cole's direct involvement in the conspiracy to entrap and discredit Dr. West. The allegations were dismissed as implausible.

TRUTH: Cole's misguided attempt to entrap Dr. West was a ploy motivated by Cole's need to cover-up her own in-depth financial fraud, as well as to hide her medical malpractice issues that had been divulged to Dr. West. Cole, a medical doctor, resented Dr. West's refusal to allow her to attend a healing training program, due to Cole's lack of morality and professional integrity.

[7.] Devra West asserts that she communicates with the 'Ascended Masters' but in reality these 'transmissions' are just more lies and deceit created out of the mind of a dangerous psychopath for one purpose only - to forward her own self-aggrandizing agenda. In this way the '[The Law of Severity on the Path to Purification](#)' was penned to justify the vicious attack on Dr. Cole while extorting her entire net worth and '[Financial Form Building](#)' was another deceit designed to whip the members of her cult into increasing their fund raising efforts on her behalf. Here is a short excerpt from one of those missives.

For now, I will only say that there are none of you who are as yet fulfilling the standards of criteria for passage into the domain that the Masters will be anchoring at the Shamballa Sanctuary. As yet most of you are in the 30% to 40% range of balance of truth with me. You must fulfill balance of truth with me as well as with the ashram. Shirley and Lisa are approaching the 60% "wonder mark" and I hope will soon anchor a solid 66% exponential factor for both requirements. I remind you that at 66% the wheel turns, and the manner and timing of manifestation "time jumps" and this includes the truth of abundance. It is for this reason that I have been required to step out of the group energetic. I am in a time jump that is the reflection of my light and this is not to be disturbed by negative thought form. There can be no sacred manifestation in lower time. I cannot succeed through co-creation with misaim. I can co-create with the to varying degrees with the Trusted Disciple. This increases as you increase your light.

The above sits alongside her assertion that the [Christ gave her two doctorates in person](#). And that she [is single handedly holding open the gates of time](#). And that the more money her 'students' (cult members) gave to her [the closer to God they would be](#).

[8.] There is little doubt that Devra West has been trained in Shamanism at the 'Robert Jaffe School for Energy Mastery' for instance and perhaps elsewhere.

[9.] "If you ever saw me heal, you'd be down on your knees crying like a friggin' baby," This is not the kind of statement that a 'world server' or service to self-entity would make but is the kind of statement that a deeply disturbed psychopathic egomaniac would make. The only heart surgeon likely to go anywhere near Devra West is senior cult member and disgraced heart surgeon Dr. Julio Williams MD who in addition to funding her criminal racketeering criminal operation continues to deceitful and dishonest testimonials on her website in the hope of attracting new blood / victims to the cult.

"There are no words to express the profound nature of sitting with a spiritual master of Rishi's caliber she is a virtual wellspring of living divinity."

Julio Williams MD 2017.

[10.] While being deposed by the whistleblower's lawyer in 2003 Devra West was asked to provide copies of her degrees from College of the Redwoods but failed to do so saying they were destroyed in a flood in New Mexico. Devra West's ex-husband Jack West confided in the whistleblower in 2002 that Devra West's education ended with her high school diploma.

[11.] Devra West forgot to mention her stint as a pot grower, a small time con-artist and the fact that her jewelry business went bankrupt or the fact that one of her victims chased her Jack West and their young daughter out of New Mexico in the middle of the night with a large loaded gun! Follow this link to read what [Jeremy Samuelson](#) had to say about Devra West in the 1970's and 1980's including the fact that he was defrauded out of \$10,000.

[12.] West's so called channeled messages have been dealt with above in number [7.] however, it is worth mentioning that every victim the whistleblower spoke to or exchanged emails with reported being woken up at 3.00 am out of a deep sleep / a nightmare / or after an experience with a demonic entity. 3.00 am is the preferred time for Devra West to target her victims.

[13.] Mike & Lori Hendrickson were defrauded out of \$200,000 when Devra West stole the contents of the charities bank account and put it in a personal trust fund for her and her eldest son Rob Meador. Devra West also stole the charities main asset a property on 20 acres valued at \$1,250,000 in 2002 and put that in the same trust fund. Devra West also stole artwork and valuables valued at \$4,000,000 in 2002 from the charity and hid them in a 'lock up' until after the statute of limitations on theft expired with these items currently [appearing on her website](#) for sale!

THE RISHI COLLECTION

Sacred Art & Antiquities

Mike Hendrickson, like so many other victims in the cult, never went forward with his lawsuit as he was too afraid of being murdered. The theft of \$4,000,000 in artwork and valuables paid for by public donation was never prosecuted even though Devra West under oath in 2009 [gave a statement](#) saying that the items did not exist!

[14, 15 & 16] As stated earlier, Devra West, like all psychopaths, is a prolific liar. On the very day that this news article was published by the Whitefish Pilot, Devra West was in court telling lies for her son who was hoping to gain custody of his infant daughter from his estranged wife Jamie Haywood. One of the assertions that Devra West made in court was that her businesses were multi-billion dollar affairs. Here is an excerpt from the transcript.

15 Q. Okay. On the last page of this exhibit --
16 first of all let me ask you some questions. Is it fair
17 to characterize your company as a multi-billion dollar
18 enterprise?

19 A. Correct.

20 Q. And is it part of your philosophy to make
21 philanthropic contributions both nationally, statewide,
22 locally and internationally?

23 A. Absolutely. I have spent the last 20 years
24 of my life as a highly prolific and successful
25 individual and probably donating well over 70 percent

2 and efforts and so forth globally.

3 Q. And the last page, is this a copy of some of
4 your -- or of your philanthropic contributions for 2002
5 throughout 2005?

6 A. Correct, correct.

As the news article makes clear Devra West was being evicted from two rental properties in quick succession and as the [Bigfork Eagle](#) newspaper article (to be dissected below) makes clear she also had a lien against her for unpaid employment insurance! I think it is safe to say that Devra West was not a billionaire at the time of the above news article or her appearance in court on 12 July 2007.

[17.] A central part of the giant fraud / racketeering scam was that Devra West and her cult presented her to the public as a 'divine being,' a spiritual teacher and successful businesswoman. At the time the news article was published in July of 2007, Devra West was heading for bankruptcy for the second time; however, one of the ways she and the cult created the illusion that she was successful, was to fraudulently misrepresent other people's property as belonging to her. As the news article above states, for two years Devra West used images of Robert & Tabby Ivy's multi-million dollar home in her brochures and on-line describing it as her own variously referring it to her 'Montana Abode' or the 'Abode of the Master's.'

Next door to this image would be a gushing testimonial from senior cult member Julio Williams MD who, knowing full well that the leader of his Satanic Coven was penniless and in debt, still played his part in the criminal / racketeering business by ‘marketing’ her to the public as the god’s gift to the planet! Here is a link to Dr. Julio Williams’s [statement](#) as posted next door to the image above. Here is a link to another [statement](#) posted on Devra West’s latest website by this ‘liar for hire’ this made in 2014 promoting ‘Rishi Devra’ and asking for funds for the ‘Divine Feminine.’ Here is a link to [another posting](#) on her website wherein Williams has rented a property next to his cult master’s and is inviting victims to attend a ‘Sacred Sunday with Rishi.’

[18.] The whistleblower successfully sued Devra West for fraud and got [judgment](#) against her in 2008 here is a link to the [Ravalli Republic](#) news article. Along the way he was defamed repeatedly by Devra West from her website either directly or by forcing cult members to publish defamatory statements on her website like [this one](#) by cult members Williams, Cole and Cornell in 2005. She also forced some of her employees on pain of being fired to write totally false statements against the whistleblower that she intended to use in court against him. One of those employees was Anandra George who later [wrote to the whistleblower’s lawyer](#) retracting her false statement. He was threatened by Julio Williams MD who apart from using an expletive in [his email](#) stated that he was making \$2,000,000 available for Devra West’s legal fees.

In July 2007, and after causing the two news articles to be published about Devra West’s criminal activities, the whistleblower became the subject of a campaign of occult attacks that continues to this day and was the subject of a murder attempt by Devra West who intended the same outcome for him as

she achieved with Lisa Swidler just two years earlier in 2005. As with the assault on Dr. Cole MD Devra West and her cult denied that Devra West had ever had a business relationship with the whistleblower in spite of the fact that a mountain of documents proved otherwise including [one statement from her then husband Jack West](#) confirming to the Immigration and Naturalization Service (INS) that the whistleblower was employed setting up corporations for them! And another [statement to her lawyer](#) Taberachi asking him to unwind their business arrangement. Below is a statement Devra West posted on her website denying the association and accusing the whistleblower of being guilty of her crimes i.e. threats, extortion etc.!

Millennia Mind Dispute with John Watson:

Devra Surya Ma's legal team has filed for an appeal for the sanction ruling stemming from a technical error and timing matter. Additionally, contrary to Watson's claims of a "Big Win", lawsuits have been filed against John Watson for his many threats and criminal acts against Dr. West and her family members and will be diligently pursued by Dr. West's legal team.

TRUTH: No business contract between Dr. West and John Watson has ever existed. **The legal dispute was fabricated by Watson to leverage an extortion scam.** Any and all business proposals made by Watson were declined. Dr. West has no intentions of enabling an extortion scam, therefore no settlement of any kind will be entertained.

[19.] The attacks come in the form of migraine headaches, partial paralysis, sensation that your head is on fire, painful leg cramps at night, attacks to the heart (feeling that spikes are being driven in) sleep deprivation and so on. These attacks against the whistleblower have now continued for eleven years because Devra West believes that he is the source of the truth about her and her past and that the truth could, as it did in Montana, threaten her multi-million dollar a year racketeering criminal business model. **Motive enough for murder.**

[20.] When the whistleblower turned up for court in 2010 to see how much he was going to be awarded for winning his lawsuit against Devra West for fraud he was served for defamation by both Devra West and her stooge / accomplice / liar for hire Geoffrey Reynolds CPA. Gambling correctly that, because he had emigrated to Nova Scotia Canada in 2005 that he would not be able to defend the case, both West and Reynolds told a pack of lies to the court. Here is a link [to Geoffrey Reynolds's pleadings to the court](#) which as anyone can see could not possibly be true but because the whistleblower could not defend these lies both Geoffrey Reynolds and Devra West were granted judgment against him. At the same time Devra West got what she wanted most which was an injunction that forced the whistleblower's websites down so that the public could not read about her criminal past.

Ironically the injunction was granted by the very same judge who two years earlier issued an arrest warrant against her [for criminal check fraud.](#)

On August 9 2007, a second article about Devra West, her cult and criminal activities was published by the Bigfork Eagle newspaper.

Trial scheduled in Lakeside assault case

Posted: Thursday, Aug 09, 2007 - 07:32:24 am PDT

By RICHARD HANNERS for the Bigfork Eagle

A Lakeside woman who claims to communicate with long-dead religious masters will face a jury trial Sept. 18 in Flathead County Justice Court on misdemeanor charges she assaulted a Whitefish doctor. A temporary restraining order against Devra Patton West, a self-styled guru who calls herself Surya Ma, was issued by Judge David Ortley last October after Dr. Patricia Cole, of Whitefish, requested protection. Cole claims West assaulted her in April 2006 and again in October 2006. [1.]

Speaking for West, Geoff Reynolds claims the charges are untrue. He said photos of the first alleged assault were taken on a different date, and the bloody clothing in the photos resulted from Cole falling down a stairs at her Cherry Creek condo in Lakeside, not from an assault. [2.] Reynolds, who is a financial adviser for West, said he has worked as an accountant in Los Angeles, where he dealt with well-known personalities. He is helping West raise several hundred million dollars to purchase and develop three properties around Flathead Lake for VIP spiritual-healing spas. [3.]

The man who took the photos, however, tells a different story about the alleged assault. He came from out-of-state and was sharing the condo with Cole while he attended sessions with West. He said he was meditating when Cole appeared wearing a bloody sweatshirt. [4.] The man said they cleaned some of the blood off Cole's scalp and then took photos so Cole, as a doctor, could see her injuries and decide how to treat the wound. Cole said West hit her on the head with a shoe, the roommate said. [5.]

Cole said she first came to Montana from Minnesota to attend spiritual sessions at Naka Shela, West's facility in Victor, from 2002 through 2004. She moved to Montana to live in 2005 with the idea of combining West's spiritual teachings with medical knowledge. Cole eventually assumed management positions with several of West's for-profit and not-for-profit operations. [6.] As business fell in Victor and the Naka Shela property was foreclosed, West moved her business north to Lakeside. [7.]

Reynolds claims Cole owes West \$753,484 and that colors Cole's allegations. Cole's bills for 2004-2006 totaled \$1.3 million, including \$250,000 for an "internship" under West and \$213,750 in "therapy fees" for eleven months last year. Cole managed to pay West \$621,484, but it didn't come easy. At one point, Cole cashed out her IRA and paid West \$293,843. [8.]

Out of six businesses mentioned in West's literature, only one remains active and in good standing with the Montana Secretary of State office -- Sacred Environments LLC. Two were never registered -- Divine Unity Foundation and Millennium Mind Institution; two were involuntarily dissolved -- Surya Enterprises Unlimited and Global Guardianship Initiative; and one was involuntarily revoked -- Sacred Archive

Institute.

Besides being evicted from her Bayside home in Lakeside and bouncing a check for the purchase of the well-known Osprey House on Angel Point, West has a \$2,287 lien against her for failing to pay unemployment taxes for her Montana employees. [9.]

Reynolds claims that several people have been stirring up trouble by publishing untrue allegations against West. He points out that former office manager Rebecca West, who is no relation to Devra West, was denied benefits by the Montana Department of Labor and Industry because she was unable to prove a hostile environment existed at Surya Enterprises Unlimited.

Rebecca West claimed she left her job because she was afraid for her safety and did not want to become a victim of physical abuse by Devra West. But hearing Officer Peggy Harper found "the evidence does not establish verbal, emotional or spiritual abuse." [10.] Rebecca West won two earlier hearings and has appealed Harper's decision.

Reynolds also claims John Watson, a former business consultant for Devra West who now lives in Nova Scotia, has been spreading false allegations about Devra West by e-mail, phone calls and his Web site, www.universalteachings.com. [11.]

Devra West has filed a libel suit against Watson, but Watson said he has not yet been served. Reynolds said West is also trying to get Watson's Internet-service provider to take down Watson's Web site, noting that its URL is very similar to West's, www.universalteachings.org. [12.]

Both Cole and Rebecca West say they have been interviewed several times by agents from the Internal Revenue Service, which they say is investigating West's businesses.

Here are the responses to the comments made in the [Bigfork Eagle](#) news article above.

[1.] Devra West admitted the assault in her missive to the cult entitled '[The Law of Severity on the Path to Purification](#)' posted on April 17 2006. Devra West in spite of the subsequent denials and attempts to derail the investigation was eventually convicted of misdemeanor assault, fined \$500 and given a six month suspended jail sentence.

[2.] Reynolds, like West is a pathological liar though to be fair after loaning Devra West \$300,000 shortly after joining her employ in September 2006 he was always going to do just as Devra West asked him to even if it meant lying, being complicit in a murder plot, criminal conspiracy and money laundering. Here are links [to several emails](#) from Rebecca West that prove 1) that Geoffrey Reynolds was a puppet / stooge of Devra West's after loaning her his life savings and 2) that Rebecca's working environment was dangerous.

Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.
Geoffrey Reynolds CPA 2014

Here are links to the four statements of denial that Geoffrey Reynolds CPA published on Devra West's website within hours of the Whitefish Pilot news article being published.

[Statement 1](#) [Statement 2](#) [Statement 3](#) [Statement 4](#)

Within the emails, apart from berating the victim, Reynolds vilifies the newspaper editor for publishing what Reynolds refers to as ‘small town religious bias.’

[3.] It is highly likely that Geoffrey Reynolds did not disclose the true nature of Devra West’s criminal business model when applying for any finance including the application for \$33,000,000 in CPEA grant money.

Dr. Pat Cole MD

"She took off her shoe and hit me on the top of my head, causing my scalp to bleed onto my face, neck and clothes, she threatened to kill me with a gun to my head, 'blowing my brains out.'" Photos taken after the alleged beating were submitted to the sheriff's office.

Dr. Pat Cole – Former Student & Business Partner.

[4.] Clearly this is the true version of events borne out by the fact the police were called and photos were taken and witnesses friendly to Dr. Cole MD were later targeted by Devra West in an attempt to intimidate them into retracting their statements.

[5.] Devra West has a long history of cruelty and violence towards other women here are two further examples of the kind of treatment dished out to Dr. Cole MD although in the following two examples Devra West lashed out violently after being contradicted in public by an employee and a student who caught her out in a lie. First student Beatrice McGuire.

Beatrice McGuire – Part of her Ear Ripped Off.

I was present in Montreal in which Ms. West tore a woman’s ear. The woman was kneeling in front of Ms. West and had quietly challenged her authority. Ms. West reacted physically. Evidently the woman’s ear had been grabbed too hard and then torn. She underwent reconstructive surgery for the injury.

Debra Coffey – Student and Teaching Assistant.

Next employee Susannah Felder.

Susannah Felder – Partially Scalped.

In late July 2001, while I was on a business trip to Denver, Susanna Felder, a committed assistant for over 9 years and editor of Devra’s writing, called me. She called me in severe distress as she had gotten into a heated discussion with Devra on whether or not I should be put on the BOD – there was no Foundation BOD at that time. Devra became so incensed that she attacked her and ripped clumps of hair out of Susanna’s head.

AJ White Former - Board Member of Devra West’s ‘charity’ The Circle of Divine Unity.

You can read the full statement about the attack on Susannah Felder and Devra West's theft of an \$80,000 donation by going [here](#) to read ex-board member AJ White's statement.

[6.] As the whistleblower found out to his cost Devra West does not have managers or partners however she does lure wealthy victims like Dr. Cole in by promising them managerial positions in projects that are never intended to see the light of day. At some point, whether it be Dr. Cole MD, the whistleblower, Mike Hendrickson, Dave Kushner, and Marion Cantwell or with countless others they all become the victim of theft, fraud, extortion or violent assault.

[7.] The Naka Shela property in Victor MT was foreclosed after the Montana government shut down West's charity for fraud. At that point the property worth \$1,250,000 and the art work and valuables worth \$4,000,000 and all paid for by public donation were stolen by Devra West. This was all planned to occur at some point but brought on at that time by the fact that her charity was [struck off](#) for fraud.

West's business, comprising mainly of her human assets, the students and employees trapped inside her cult, were not told that her charity had been struck off but rather that she was moving from the 5th dimension to the 7th dimension and that she could only take 12 disciples with her and only those who would commit 66% of their net worth to her good causes – herself. Long story short although the news article refers to West's business moving north circa 2005 in reality the brainwashed cult members were told they were moving to Shamballa! Below here is an excerpt from another of her missives to the brainwashed droids in her cult.

Dear Ones,

It is with much joy and gratitude that I write to you to offer news of a most blessed personal transition that I am under going. Having fulfilled the necessary factors of purity of motivation, discernment of circumstances, and discipline of focus, I am uplifting into the vibration of Shamballa to begin to take my place upon the Council of Twelve at Planetary levels. **1**

The process has been somewhat painful physically, but blissful at all other levels, as my nervous system is ongoing a revamping. I will require a far more rarified "vibrational container" to complete the transition. **2**

As a result of this transition, my world work in its greater expanse of influence will begin to spread its wings and although I feel like a fledgling in this new place, I also feel such gratitude of heart. I feel like I am coming home to what I have always known to be true. I am also entering True Time as a result. I am making the transition from Master Teacher to Global Guardian in the truest sense. **3**

My shift from fifth dimensional being, to seventh dimensional being is rapidly reshaping my "immediate personal world" if one might frame this shift in personal/impersonal terms. The shift is actually a shift into greater impersonality and yet also greater sense of Self within the Great Self. **4**

Of course the "blessed transition" that she refers to in paragraph numbered (1) is the shutting down of her Victor MT ashram by the government which is perhaps also the reason for the "more rarified" container mentioned in then paragraph numbered (2). In the paragraph numbered (3) the criminally insane Devra West refers to her ascension from Master Teacher to Global Guardian – in the truest sense! The bullshit in the paragraph numbered (4) is the usual gobbledygook crap used to brainwash the

rank and file into thinking that her eviction from Victor MT is some kind of choice she is making. None the less she sells it to her cult as some kind of award that she is moving from the 5th to the 7th dimension.

The above piece give us a glimpse into the mind of a deeply disturbed psychopathic person personality who believes her occult knowledge and ability it gives her to manipulate others and to commit serious crime has qualified her for “a place on the Council of Twelve at Planetary levels” and to be a Global Guardian (in the truest sense!).

[8.] This statement by Geoffrey Reynolds CPA shows clearly that he money laundered the proceed of crime through Devra West’s business Sacred Environments LLC he did this probably unaware that his predecessor had resigned rather than be forced to ‘manufacture’ false invoices to make it look like the monies obtained by extortion from Dr. Cole were obtained as a result of ‘normal’ business activities. Who on earth pays \$250,000 for an "internship" and \$213,750 in "therapy fees?" No one is the answer and certainly no one hands over their entire net worth which includes emptying their IRA to someone like Devra West unless they fear for their life and are under huge duress! Oh quite by coincidence that is exactly what best friend [Rebecca West’s emails](#) say was going on at the time!

[9.] The arrest warrant for criminal check fraud probably relates to this matter.

[10] It is hard for anyone to get justice against Devra West because not only does she have her secret occult weapon to use against those who oppose her she has a ready supply of 'liars for hire' who are

prepared to make false statements against victims in court, at employment tribunals and from her websites. As to whether working for employment with Devra West was a hostile and dangerous environment the assault on the three women listed above, including Dr. Cole MD, speaks volumes. The testimony of employee [Carlida Finch](#) to the labor board speaks volumes as do [Rebecca Wests emails](#) to the whistleblower. Below here is an excerpt from Carlida's 'Statement of Fact' to the labor board in 2007.

Left Employment Due to Dissatisfaction with Working Conditions

What working conditions were you not satisfied with?

Dr West was verbally abusive daily with Dr. Cole her "disciple" she attributed it to the "Law of Severity" required for spiritual enlightenment. Some time between Jan and Mar 2006 I overheard Devra tell Pat the she would "take a hammer and break every bone in her hands" Devra later told me that she did not care if she killed Pat because she, as an enlightened being had no ego so could spend her life in prison as easily as in a 6 million dollar home. On April 17th Dr. Cole came to work with bruises on her hands and wrists. I asked her about them and she said that she had whacked them. On April 22 I found a document written by Devra, it was an account of her asking the Masters about the "altercation" with Dr. Cole. According to Devra the Masters are the Shamballa Council, a group of enlightened beings that she meets with regularly in her meditations.

If that does not convince the reader, and although she failed to murder the whistleblower lets have another look at Devra West laughing at the successful murder of Lisa Swidler.

[11.] While being interviewed by the [Bigfork Eagle](#) news reporter Geoffrey Reynolds, in what he thought was an off the record conversation, let it be known that Devra West planned to murder the whistleblower. Reynolds said that he expected the whistleblower would be dead within 12 months or in jail for retaliating to what Devra West intended to do to him. Reynolds remarks indicates two things 1) that he was comfortable with the murder and 2) that he was fully briefed by Devra West that she had the ability to commit murder and get away with it – maybe she bragged about killing Lisa Swidler and others.

[12.] In a move worthy of Dumb and Dumberer in November of 2007, after vehemently denying that Devra West had NOT assaulted Dr. Cole MD though knowing she had, Geoffrey Reynolds CPA wrote to the service provider of the whistleblower's website trying to force the removal from that website of Devra West's written admission that she HAD assaulted Dr. Cole MD! Reynolds claimed copyright of

[‘The Law of Severity on the Path to Purification’](#) on behalf of Devra West in attempt to force the removal of the document from his website.

In any other universe a written statement published in April 2006 by Devra West admitting the assault followed by two years of public denial may have meant something but again since the crime occurred in a cult and Devra West had plenty of liars on her side she got off with a \$500 fine and a 6 month suspended jail sentence! Reynolds showed yet again what lengths he was prepared to go to represent his occult thief / suspected serial killer boss.

The above occurred in July and August of 2007.

In 2008 Devra West became the subject of a [Sheriff's Sale](#) to force her to pay her creditors (of past crimes) \$2,000,000 in court fines and interest; also in 2008 [judgement](#) was handed by a Montana court to the whistleblower in respect of his fraud lawsuit against Devra West.

And in 2009, Devra West was the recipient of an arrest warrant for felony theft.

THE ABOVE TWO NEWS ARTICLES MADE IT IMPOSSIBLE FOR THE 'DIVINE BEING' ROUTINE TO FLY IN MONTANA AS EVERYONE, AFTER ALL THE BAD PUBLICITY, KNEW THAT DEVRA WEST WAS A SELF SERVING, MANIPULATIVE, EVIL ASSHOLE WITH NO SOUL!

Now you know why this Ascended Master, this member of the Council of Twelve, this Global Guardian (in the truest sense) had to move to Arizona to set up her criminal racketeering business model. She could not go to New Mexico as she had been chased out of there with a loaded gun in 1995 and Utah is 'owned' by other cults. So Arizona was chosen.

INTRODUCING TO ARIZONA, THE ONE AND THE ONLY.....

**THE REGENT, DEVRA, ADI MAA, SURYA SAI,
 DURGA DEVI, RISHI OF THE ROYAL PATH.**

Above here is her latest persona complete with a full raft of titles (that she has awarded herself) including recently appointing herself as Planetary Regent! I guess Global Guardian got a little tired although I am sure in the hierarchy of bull shitters Planetary Regent tops Global Guardian. Of course when you are in possession of millions of dollars from past criminality and you possess a weapon that allows you to murder without consequence I guess you can do as you please!

In the past Devra West's criminal / racketeering business model has always operated on a number of levels.

1. The day to day expenses, food, dry cleaning bills etc. were paid for in the past by either the fund raising efforts of the rank and file cult members (employees and students) or on occasion by thieving, defrauding and extorting money from cult members Mike Hendrickson, Dave Kushner and Marion Cantwell fell into the latter category.

2. The next layer of 'income' came from picking off wealthy members of the cult after they had been brainwashed and conditioned by her into 'surrendering' to her will. Dr. Coe, fell into this category – it cost her \$1.3 million. Or by fooling victims who have had 'private' sessions with her that they have a brain tumor or cancer that she can cure for \$500,000. Follow [this link](#) to hear to members of her admin staff talk about overhearing a phone conversation which Devra West claims to have just earned \$500,000!
3. The third category came from really big acts of fraud like the fraudulent application by Devra West and Geoffrey Reynolds CPA who jointly applied for \$30,000,000 in CPEA grants doubtless falsifying the statements they made while applying for the grants. I seriously doubt that Devra West declared that she intended to use at least \$2,000,000 of the grant money to pay off her personal debts and yet her stepmother [Carol Patton](#), who she owed \$30,000 to, seemed to know as did her office manager [Rebecca West](#) – no relation. Both wrote to the whistleblower sharing that information.

Currently she seems to have moved her criminal / racketeering business model up-market and is now just targeting the wealthy sheeple in Sedona and Scottsdale with 'Divine Grace Healings' for \$500,000 plus a go. This explains why the '[Pay Portal](#)' on her website is designed to handle the payment of five hundred thousand dollars and above that she extorts from her victims.

INSTRUCTIONS TO WEALTHY CLIENTS IN THE SEDONA / SCOTTSDALE WHO HAVE \$500,000 TO SPEND ON 'DIVINE GRACE HEALINGS!'

Step 1. Is for potential targets to accept an invitation on her website to attend a 'Private' Sessions or a 'Private' Intensive.

Step 2. Some of those wealthy females who book 'Private Audiences' and 'Private Intensives' are subsequently targeted and duped / manipulated / pressured into believing one of the following two scenarios.

1. That they are suffering from a totally non-existent brain tumor or a cancer which Devra West guarantees she can cure for a large fee.

2. That Devra West and the targeted individual were sisters in a former lifetime during which the target is persuaded that she betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for those nonexistent wrongs).

Devra West has been perpetrating this extortion racket for at least two decades; two of her admin staff who worked for in 2002 overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

Remember, Devra West is an Occult Master who can, using Shamanic Visioning, induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her. In the above scam she ‘induces’ the symptoms in those who do not pay and then miraculously cures them after they go to her ‘Pay Portal’ and make a large six figure donation.

Step 3. Go to Devra West’s [‘Pay Portal’](#), recently updated, which is now set up to receive single donations of \$500,000 or more by pressing one or a combination of buttons and empty your bank account into hers. Note her standing there with her hands out saying “give me, give me.”

All the senior cult / gang members are aware of Devra West’s criminal past, her arrest warrants, conviction for assault, multiple appearances in court as the defendant in fraud related lawsuits, her violence towards students and employees. They are all also aware of her use of occult violence as a weapon a weapon that she uses to feather her own financial nest and to intimidate and if necessary murder those who go public. How else could Geoffrey Reynolds blurt the whistleblower’s impending murder to a reporter in August 2007 unless he was briefed by Devra West that she intended to murder him; an attempt she made shortly Reynolds’s interview.

In 2010, once again, Geoffrey Reynolds CPA showed just how under the control of Devra West he was when he agreed to co-author and front a frivolous defamation lawsuit with Devra West against the whistleblower. The facts are that the whistleblower left Devra West's employ in August 2002 after being defrauded and constructively dismissed without pay and shares. The whistleblower successfully sued Devra West and got judgement in 2008. Geoffrey Reynolds joins West's employ in September 2006 and is quickly duped into loaning Devra West \$300,000 after which he falls totally under her control. In 2010, while West and the whistleblower are attending court to see how much the court is going to award the whistleblower for successfully suing Devra West for fraud both West and her stooge Reynolds serve the whistleblower for defamation (for telling the truth) in what was obviously an act of revenge on the part of Devra West.

Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.

Geoffrey Reynolds CPA 2014

Geoffrey Reynolds CPA was unaware that the whistleblower existed as Reynolds had lived and worked in Cave Creek AZ until joining West's employ in Montana in September 2006 however Reynolds, in his [pleadings to the Montana](#) court asserted, at West's behest, that he had been defamed between 2002 and 2006. This was an obvious lie but because the whistleblower could not afford to travel from Nova Scotia Canada to Montana to defend these lies West & Reynolds received default judgment in the amount of \$5,000,000 each. And so Devra West, a vile, serpent of a creature, had carried out her threat made to the whistleblower at a meeting in March of 2003 which was that if he sued her she would, and I quote, "get so 'f**king down and dirty huge expenses coming out of his pocket – not hers." The cult paying her legal expenses. You can hear Devra West say this in her own voice by listening to an excerpt from the audio recording the whistleblower made of the meeting.

WARNING – Foul mouthed Global Guardian, Planetary Regent, and member of the Council of Twelve.

[I feel 'f**ked up the *rse by you, *uc*ed up the ars*.](#)

Of course in March 2003 there was no Geoffrey Reynolds CPA available Devra West would have to wait another three and a half years until September 2006 until an asshole of Reynolds caliber would come along. So Geoffrey Reynolds CPA has the distinction of:-

1. Being complicit in a plot to murder a total stranger (so he could get back his life savings of \$300,000).
2. Agreed to make totally false statements to a Montana court about a total stranger that led to a \$5,000,000 default judgement (so he could get back his life savings of \$300,000).

Obviously he was manipulated / blackmailed into the above and was probably told that the murder of the whistleblower would be a 'slam dunk' just as the murder of Lisa Swidler was. When the murder plot failed Reynolds still on the hook was probably told that the conspiracy to bankrupt the whistleblower to ensure he could not tell the truth about Devra West's racketeering criminal business model would also be a slam dunk! Reynolds had the option to go to the police and to law to get his money back but instead he agreed to be complicit in murder and criminal conspiracy. For his actions on behalf of Devra West a potential serial killer Geoffrey Reynolds has earned the title of 'scum.'

scum

(adj.) Possibly the worst word you can have your name associated with.

It is hard to define the word, but it is basically used to describe someone so disgraceful that they are seen as the lowest form of life. "Worthlessness", "waste of skin", "dirt". "Nothing". Far worse than most other insults, where the victim is often just referred to as genitalia.

Reynolds is now working for McSwain & Co. a firm of accountants based in Olympia Washington. I can only assume that they were unaware of his past, that they have an 'outreach' program for criminal types or that they just do not care about their public persona. At some point in the near future Geoffrey Reynolds will be arraigned for trial if not for complicity to commit murder then for money laundering, criminal conspiracy and fraud when that happens his current employers are going to get a lot of adverse publicity. It's not like they were being kept in the dark about his criminality.

Geoffrey Reynolds, Julio Williams and Jack West are all willing accomplices in a murderous criminal / racketeering business model or are too afraid to break away unless, like Lisa Swidler they too are murdered.

Criminal Mastermind, occult thief and suspected serial killer Devra Patton West controls senior cult members (from left to right) Geoffrey Reynolds CPA, Julio Williams MD and ex-husband Jack West as though they were marionettes without any choice but to do her bidding.

- **It must be totally obvious to everyone that Devra Patton West is not a guru, an Ascended Master or a Planetary Regent.**
- **It must be totally obvious from her past deeds (her appearances in court, her two arrest warrants, a conviction for assault, her writings and audio statements) that Devra Patton West is not a 'World Server' but the head of a criminal / racketeering business model.**
- **After all if it walks like a duck, quacks like a duck it must be a duck?**

Lakeside MT calling herself 'Surya Ma' 2005 to 2011. The following image gives details of some of the crimes committed by Devra West during that time period bearing in mind most crimes are committed against cult members and remain hidden inside the cult

1. Arrest Warrant for [Criminal Check Fraud](#).
2. [Conviction](#) for Assaulting Dr. Cole MD & [News Article](#) announcing same.
3. Becoming the subject of a [Sheriff's Sale](#) to force her to pay her creditors \$2,000,000 in court judgments and interest.
4. Whistle-blower's [judgment](#) against Devra West for fraud.
5. Defendant in [fraud case](#) brought by Larry Brazda and others.
6. Defendant in [fraud case](#) brought by 'Top to Bottom' Construction.
7. Vicious Assaults on female members of her cult i.e. Susannah [Felder & Beatrice McGuire](#), [Jamie Haywood](#) and [Dr. Pat Cole MD](#).
8. The Students who took out loans for Devra West after being told, "[They would be closer to God.](#)"
9. West's son's [criminal record](#). Like mother like son?
10. [Arrest Warrant](#) for felony theft.

It is clear that Devra West's criminal business model is entirely predicated on her ability to use 'under the radar' violence against the victims she targets. It is also clear that many of the victims are members of her cult who, prior to becoming victims of theft, fraud, extortion and violent assault are brainwashed and conditioned not to go to the police or courts for restitution. For your own safety and that of your friends and community members, stay away and warn others to do likewise – this is not a hoax.

Oh, and don't forget to check out [30 examples of 'world service' from Rishi Devra](#).

Please circulate this to your mailing list as to do so may save someone in the spiritual / metaphysical community in Sedona or Scottsdale from being the victim of extortion or worse.
