Subject: another victim/ fighting for my life and my 11month old daughter

Hello,

My name is Jamie Haywood, Chris Haywood's exwife. And Devra West's ex daughter in law. Well actually i am in the middle of the divorce.

I finally found this website and have been searching for you and Pat Cole due to the fact that my daughter and i have been subjected to this nasty woman.

I thought that i was going crazy and thought there was something wrong with my daughter. Until my mother took me to a true gilder and this wonderful woman told me that i had a spell put upon me. She then started to test where it was, lo and behold in the left front side of my brain. Ya something to make me go crazy and what ever else. And now that's not all of it she also put one in my 11 month old daughter's organs. So my lady took some time and finally removed this wicked spell off of me and my daughter. then she told me that i would be protected.

This woman is now in a divorce case and she also some way or another has been able to take my daughter from possession. And Chris has our daughter under our so called home (Pat Cole's) which they will be evicted from. She is living with Chris due to her 2.6million dollar home she was evicted out of on June 29,2007. The house in which was or still is Pat's was repossessed by Wells fargo Bank.

Between the 2 of them, they have tried to break me down and all the way down. From verbal abuse to physical abuse. I have been with this wicked family for 6 years now. and am so happy to get out alive and with my mind intact.

Now im not too sure if you can remember a day when you and Devra were in her kitchen at the nakashalla having some sort of meeting, when Chris and sondra(his daughter), along with myself came in. and she stood up and told me to get the fuck out of her home. Now that was the first day that i'd ever met her. and its been a fight ever since.

Please John, I may need your and Pat Cole's help with getting my daughter Sasha back where she belongs and along with my normal life back. So i am going to leave a phone number and a email address for you and would cherish it if you would call me as soon as possible. I am going into the District court tomorrow and am going in there with all of your wonderful info and i am going to fight for my daughter to come back to my possession. Thank You So Much.
