

Dear FBI, IRS and Sedona and Scottsdale Police Departments,

Unless multiple murders, numerous violent assaults and countless acts of theft, fraud and extortion are no longer regarded as serious crimes we ask that you urgently investigate Patton West and her accomplices. There are literally scores of victims of organized crime at the hands of Patton West and her accomplices chief amongst them Geoffrey Reynolds CPA & Dr. Julio E Williams MD. Details below...

Sincerely,

Richard S

The Rishi AKA Patton West. “The Slayer of Illusion and the Protector of Innocence” is a Pathological Liar and Criminally Insane Asshole.

The [Urban Dictionary](#) defines the word 'asshole' as, "An inconsiderate, arrogant, uncaring, selfish, borderline, apathetic, mean, spiteful, dishonorable bastard of a man. The equivalent term for a woman would be bitch. However, because Patton West acts more like a male psychopath we'll stick with describing her as an ASSHOLE. This above ASSHOLE is currently targeting Sedona while masquerading as a 'Goddess,' the '[Divine Mother](#),' the '[Regent of the Western Hemisphere](#)' and the '[Mother of Ten Thousands Suns](#).' This ASSHOLE says she has been preparing to [lead humanity](#) for thousands of years. While the website is much flashier and the lies much bigger it is the same criminal racketeering business model she used in Montana between 1995 & 2010 and in New Mexico between 1991 & 1995.

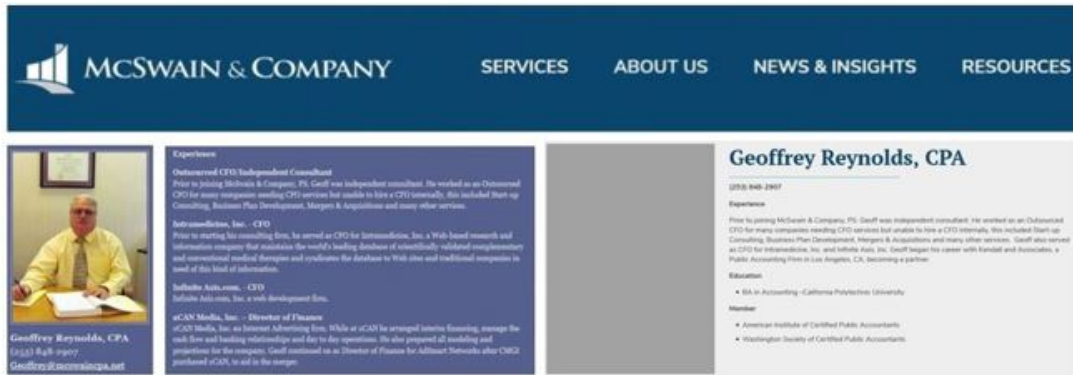

Above: After several appearances in court as the defendant in mainly fraud related lawsuits and after multiple newspaper articles made it clear that her 'World Service' was a front for her criminal racketeering business model Patton West was forced to leave Montana and reincarnate herself in Arizona. New name, new fake bio / life story – same 'divine being' play book.

In Montana, Patton West claimed to be, "[Holding open the gates of time](#)" and also claimed that her two fake doctorates were given to her [by the Christ in person](#). In reality, the guru act was a front for organized crime hiding scores of victims of theft, fraud, extortion and several violent assaults and perhaps as many murders.

The whistleblower, a victim of fraud at Patton West's hands, decided to sue her for fraud and share his research about her on-line via a dedicated website. He also shared his research with two newspapers the [Whitefish Pilot](#) & the [Bigfork Eagle](#). In response, Patton West recruited two more ASSHOLES, members of her cult, in a conspiracy to murder the whistleblower; they are Geoffrey Reynolds CPA & Dr. Julio E Williams MD.

INTRODUCING ASSHOLE GEOFFREY REYNOLDS CPA.

Above: Geoffrey Reynolds CPA currently employed by McSwain & Co. accountants in Olympia WA. When we shared details of Reynolds involvement in racketeering and murder with McSwain & Co. they 'sanitized' his on-line resume and then completely removed it from their website. There is enough documentary evidence about Reynolds to show he is an 'undocumented criminal' who will at some point go to trial therefore he should definitely not have access to confidential client files.

The above asshole, Geoffrey Reynolds CPA, actually announced the whistleblower's impending murder to the local press days before Patton West made her failed attempt on his life. What Reynolds said was, "Watson would be dead within 12 months or in jail for reacting to what Patton West was going to do to him, his wife and children." When the murder plot failed, asshole Reynolds doubled down on his willingness to commit serious crimes by 'fronting' a conspiracy orchestrated by Patton West to bankrupt Watson into silence. Asshole Reynolds' role was to make totally false statements to a Montana court as part of a \$10,000,000 extortion scam.

INTRODUCING ASSHOLE DR. JULIO E WILLIAMS MD.

Above: Dr. Julio E Williams MD is a public relations nightmare for Essentia Health any other organization he is associated with. The documentary evidence shows Williams to be a 20 year member of a dangerous cult / criminal racketeering gang. Why would Williams send an expletive laden threatening email to a total stranger who was suing the leader of his cult for fraud? When Williams' threats failed why would he put up \$2,000,000 of his own money to defend Patton West when she was guilty?

As it says above, Williams is a 20 year disciple / student of Patton West's. Williams grew up in the Dominican Republic where Voodoo was a religion. So being a disciple to the leader of a Satanist cult, must have been a long standing dream to Williams. Williams wrote a threatening email to the whistleblower in a lame attempt to intimidate him into dropping his fraud lawsuit against Patton West. This is called witness tampering.

After the whistleblower won his lawsuit against Patton West, Williams showed his loyalty and commitment to the suspected serial killer by putting up \$2,000,000 of his own money so that Patton West could launch multiple frivolous lawsuits against Watson, with the intention of silencing by bankrupting him. Reynolds' and Williams' role in the 'take down' of Watson is spelt out in a previous bulletin entitled "[Gang Members.](#)'

The motive for Patton West's actions are clear - money. Millions of dollars a year in lost 'donations' given to her by the public on the basis of lies and propaganda. At the very least, this is mail and wire fraud. Millions of dollars a year in lost revenue from fraud and extortion of victims who are made 'ill' by her use of the occult and then 'cured' after paying a six figure sum. She was charging \$500,000 for a 'cure' in 2002!

Our role is to persuade the FBI and other law enforcement agencies to investigate Patton West and her criminal racketeering business model which has operated in three western states for the past 29 plus years. Our role is to get the FBI and law enforcement agencies to investigate the following:-

- 1. Why would ASSHOLE'S REYNOLDS & WILLIAMS agree to be complicit in the murder of a stranger to them (who had a legal dispute with the leader of their cult).*
- 2. Why would ASSHOLE REYNOLDS would put himself in harm's way and agree to be part of a criminal conspiracy. A conspiracy that had him making [totally false statements to a Montana court](#) about a total stranger (who had a legal dispute with his employer / the leader of his cult).*
- 3. Why would ASSHOLE WILLIAMS would put up [\\$2,000,000 of his own money](#) to fund a criminal conspiracy against a total stranger (who had a legal dispute with the leader of his cult).*
- 4. Is ASSHOLE PATTON WEST describing herself as a Goddess, Divine Mother, The Regent of the Western Hemisphere and the Mother of a Thousand Suns because she is criminally insane or just a criminal who is going 'all in' with her lies and propaganda because she believes she can never be brought to justice.*

Last week's bulletin was so compelling, that we have decided to stick with it for another week while we wait for the authorities to move against the three named ASSHOLES mentioned above. Here is [a link](#) to that bulletin.

Here is a suggested reading list for new arrivals:-
