

Subject: Devil or Divine Being – You Decide Based on the FACTS!

Dear FBI, IRS, Sedona & Scottsdale police departments,

The whistleblower, joined Ms. West's employ as a consultant in January 2002, six months later after completing the tasks set by Ms. West he was constructively dismissed by Ms. West without receiving the pay and shares he was promised. At the time of his departure in August 2002, the whistleblower came to the realization that Devra West was running a cult. He subsequently sued Ms. West for fraud and won that lawsuit in 2008. While researching his lawsuit, he discovered that there were literally scores of other victims of theft, fraud and extortion with victims and witnesses being subject to violent intimidation to dissuade them from going to the police or law courts for restitution.

In 2005, Ms. West, believing that she ruled her cult like a medieval baron with her 'laws' supplanting state and federal laws, defrauded and extorted hundreds of thousands of dollars from three cult members i.e. Dave Kushner, Marion Cantwell and Mike Hendrickson. [Lisa Swidler](#), a witness to the crimes against Dave Kushner and Marion Cantwell (the latter being kidnapped and held captive and threatened with murder) tried to escape the cult but died suddenly and mysteriously, shortly after leaving the cult. Many believed (including the whistleblower) that Lisa was murdered by Devra West, but because the 'weapon' she uses to commit violent crimes and murder is not recognized as a weapon, the death of Lisa Swidler was ruled 'death by natural causes.' Because of the fear of being targeted for murder, none of the three victims named above went to the police / authorities. Ms. West's 'charity' was struck off for fraud in January 2004, forcing her to move her cult / criminal business model from Victor MT to Lakeside MT.

Fast forward to 2007, and after receiving several emails from another 'employee' trapped in the cult, it became obvious that Devra West's revolving door policy towards employees had not changed and that her criminal / racketeering business model was still running at top speed. This harrowing email from Rebecca West (no relation to Devra West) entitled '[Help Me](#)' sets out the plight of those who applied for 'jobs' with Ms. West, only to find out after moving across the country that they had joined a cult. If the new employees do not 'submit' to the 'Master Teacher' within 90 days, they are summarily dismissed before Devra West has to pay employment insurance. The above mentioned email, also explains that Devra West was in the process of extorting \$1.3 million from a wealthy female doctor also a member of her cult.

Having received the emails from Rebecca West, and knowing firsthand about the danger of being associated with Devra West, the whistleblower made the decision to go public and share what he had with the local press as a consequence two news articles were published in 2007 by the [Whitefish Pilot](#) and [Bigfork Eagle](#) newspapers. As a consequence, Devra West decided to murder the whistleblower and so confident was she and the senior members of her cult that this would go ahead as planned, that Geoffrey Reynolds, while being interviewed by the Bigfork Eagle, told the reporter that the whistleblower would be dead within 12 months or in jail for reacting to what Devra West was going to do to him and his family. The threat was passed on by the reporter to John Neilson, an IRS criminal investigator looking into Devra West's finances at the time.

An attempt to murder the whistleblower did take place shortly after Reynolds's prediction in August 2007, but failed. Three years later, while attending court in Montana to see how much the court was going to award him for winning his fraud lawsuit against Devra West, both West & Reynolds served the whistleblower for defamation; understanding that, as the whistleblower lived abroad, he probably could not afford to fight their frivolous lawsuits. As a consequence, both West and Reynolds were awarded default judgements, thus neutralizing the five years and tens of thousands of dollars spent winning his fraud lawsuit. It is worth noting that Reynolds' pleadings to the court were a pack of lies (see below) as he did not know the whistleblower existed, given that he commenced his employment in September 2006 with the whistleblower leaving West's employ in August 2002. However, as a loyal cult member who had money laundered hundreds of thousands of dollars, acquired through organized crime, through West's business Reynolds went along with the conspiracy.

This is what criminals do if they cannot intimidate you or murder you. They use their ill-gotten gains to 'buy' the law they want by outspending their opponents; which is exactly what Ms. West threatened to do in 2002 when the whistleblower announced he was going to sue Ms. West for fraud. Follow [this link](#) to listen to Ms. West threaten the whistleblower.

The mountain of negative publicity forced the cult to move from Montana to Arizona in 2010. This criminal / racketeering business model is now operating in Arizona, with Devra West targeting Sedona and Scottsdale. I believe there is a compelling case for prosecuting Ms. West and her accomplice Geoffrey Reynolds under RICO statutes, as Ms. West has committed to my mind 9 predicate offenses with Reynolds committing at least 4. In Ms. West's case, some of the 9 predicate offenses have been committed multiple times. There is little doubt that the whistleblower was targeted for murder by Devra West, as evidenced by Reynolds' statement to the press. The whistleblower is convinced that Lisa Swidler was murdered by West to keep her quiet.

Devra West has been in possession of occult knowledge, such that she can commit murder and make it look like the person died of natural causes for some 27 years – her personality cult is built around this 'ability.' Indeed, shortly after joining West's employ in January 2002, Devra West's then husband, Jack West, explained in confidence that people who opposed Devra West had a habit of dying. It is quite possible that Devra West is a serial killer but because of the nature of the 'weapon' being used, the sudden death of those she targets would be ruled as 'death by natural causes'. In the case of Lisa Swidler, a young mother of two children under the age of ten, she suddenly and mysteriously died of internal bleeding immediately after leaving the cult. There is little doubt that Reynolds expected the death of the whistleblower to go ahead as planned, perhaps understanding that these murders were routine.

The whistleblower stands by to be a witness for the state should you decide to move against Ms. West and her accomplices.

Devil or Divine Being – You Decide Based on the FACTS!

OR

If the two arrest warrants, the conviction for assault, the judgement against her for defrauding the whistleblower and the Sheriff's Sale to force her to pay her creditors (past victims of fraud) \$2,000,000 in court fines and interest – all issued against her in Montana - are real, then the life story / bio as featured on her current website is a lie and a total fiction. Which means everything else is a lie and a fiction, including her claim to be "called to world service at age 7."

SINCE THE ABOVE IS ALL TRUE, THEN WHAT FOLLOWS MUST BE LIES, DECEIT AND PROPAGANDA.....

THE RISHI OF THE WEST

Devra Adi Maa... The Sage of Sedona

As a spiritual guardian of the region, her presence in both Sedona and Scottsdale is a blessing for all souls and especially for those who seek spiritual enrichment and the ultimate awakening of enlightenment. She is embraced as the Rishi Elder and Sage of Sedona and the Illuminary and Oracle of Black Mountain, an area left to be sacred by our Native Americans, which is located in the desert highlands, north of Scottsdale.

She received her first spiritual initiation at the age of seven, being spontaneously flooded with wave after wave of light, experiencing the direct presence of the Great Masters. Enveloped in divine illumination for many days thereafter, she received her "call to serve the world." Throughout adolescence, Rishi Devra continued to receive the ageless wisdoms from the hierarchy of spiritual masters, who gave her an in-depth understanding of the soul's universal existence and the malleable fluidity of reality.

AND THIS.....

LIVING THE DIVINE LIFE

Emergence of a Lotus Born

Rishi Devra's path of awakening has moved from an enriched epic of life experience that has encircled the globe. Regarded as a 'Lotus Born Soul' by pundits, yogis and elders, she retained her sense of divine presence from birth and even as a toddler was cognizant of incarnating into a physical body with a higher destiny to fulfill. Her link to the divine worlds was encouraged by her paternal grandmother, a devout charismatic healer and clairvoyant, who taught her to navigate the spirit world of masters and angels throughout her childhood, with past life recall and the ability to see into the future as her commonplace occurrence.

She received her first spiritual initiation at the age of seven, being spontaneously flooded with wave after wave of light, experiencing the direct presence of the Great Masters. Enveloped in divine illumination for many days thereafter, she received her "call to serve the world." Throughout adolescence, Rishi Devra continued to receive the ageless wisdoms from the hierarchy of spiritual masters, who gave her an in-depth understanding of the soul's universal existence and the malleable fluidity of reality.

CONTACT US

Inspired to embrace a meditative, aesthetic lifestyle, she moved to the quietude of the Rocky Mountains in the Western United States, married and became a householder raising three children. Regarding the planet as a living entity, she engaged in large-scale organic farming, reforestation and conservation projects. Like her grandmother, she avidly studied natural healing and herbal medicine, leading her to contribute to building a rural health clinic and organize organic food distribution cooperatives, while engaging business ventures in forest reclamation that demanded the expertise of contracting with the United States Forest Service, the Bureau of Indian Affairs, Atlantic Richfield and Exxon Oil Company. This hands-on background, integrated an ample degree of practical expertise that would be vital to becoming a servant of humanity.

As her children grew to adulthood, she traversed the globe delving into the world's spiritual wealth in the remote reaches of the Himalayas, the jungles of the Amazon, the highlands of the Andes, the temples of ancient Egypt, and the Mayan Yucatan. Her thirst for the headwaters of wisdom, led her to be welcomed into the tribal ceremonies of Native Americans in the West as well as in the monasteries and caves of Tibet and Nepal. Significant years immersed in the Holy Land, following in the footsteps of the saints and prophets, provided an immense diversity of direct experience and a deep compassion for humanity's struggles.

Compelled to unify all paths, she began to organize her spiritual writings into an eloquent synthesis of eastern and western streams of wisdom into what became the Universal Archives of the Royal Path, a source of inspiration for countless readers from all walks of life. Recognized internationally as a master teacher in the early 1990's, she soon founded her institute for the divine sciences, offering credentialled programs for meditation and the transformational arts in the United States and Europe. Further exemplifying a 'feet on the ground' approach, she expanded her interests to planetary sustainability and human values, becoming involved with international NGOs, environmental initiatives and humanitarian projects, giving her in-depth insight on the glaring urgency of global issues. This led her to found the Peace Promise Initiative in Israel in early 2000 that sponsored seminars for world peace in the Middle East.

The near epic range of her global experiences, from her dedication to planetary prosperity, to her life-changing quest for the ageless masters who appeared and disappeared into the mists of the high Himalayas is indeed groundbreaking. As a tireless servant of humanity, her largess of global awareness is nothing less than remarkable and her life story even more so. Yet, what is inspiring for many seekers, is that Rishi Devra's homage to the divine has always been balanced by the joys and rigors of raising children and grandchildren, which she heartfully continues today as a spiritually awakened household.

With her illumination in full radiance, Devra continued to exemplify a 'feet on the ground' approach, expanding her focus for global awareness to a wide range of scientific and technological fields, as well as global financial systems, planetary sustainability and all aspects of human values. Organizing and attending conferences for world peace and humanitarian governance increased her involvement with international leadership groups, humanitarian projects in regions of conflict, environmental initiatives and international think-tanks which enabled her to gain a wide range of insight on the glaring urgency of contemporary global issues. She founded the Peace Promise Initiative in early 2000, a humanitarian endeavor that sponsored expos and seminars for world peace in the Middle East. Her time spent in regions of conflict enabled her to have a visceral appreciation of the human devastation that came with the ravages of war and famine, and its inevitable impact on the entirety of the planetary system, all the while continually immersing ever deeper in the Divine. As the founder of our institute for meditative life mastery, her hands on life approach enables her to be especially sensitive to modern life in its full context of demands, at the same time that she brings a profound eloquence to all that she does. She is as practical in her pragmatic logic, as she is sublime in her divine grace.

Many books could easily be filled to the brim with the range and complexity of her global experiences, from her educational work on world peace and prosperity, to her life-changing quest for the ageless masters who appeared and disappeared into the mists of the high Himalayas. Yet, in the midst of a virtual plethora of worldly experience, the example of her endeared grandmother was a constant, as Devra's steady homage to the divine, has always been balanced by the rigors of raising children and grandchildren that continues today. As a tireless servant of humanity whose coherence of authenticity is ever-present, her largess of planetary awareness is nothing less than remarkable and her life story even more so. She has engaged many enlightened endeavors over the years and currently is devoted to serving as a bridge for bringing the beauty of eastern sacred art and antiquities to the west, as a reminder of the ancient traditions that bring devotion and meditation into creating the enduring timelessness of sacred art.

AN ANALYSIS OF SOME OF THE LIES....

LIES, DECEIT & PROPAGANDA. It is very difficult for those who do not know about Devra Patton West's past criminality in Montana and New Mexico, to comprehend the enormity of the lies, deceit and propaganda that are used by her and the senior members of her cult to market her as a 'divine being.'

Let us analyze the above Facebook posting and counter the lies, deceit and propaganda with some well documented facts.

1. As the light that shines behind leaders and world servers across the globe. Like all psychopaths, Devra Patton West is a compulsive liar. Some of examples of this are as follows:-

1. In 2007, Devra West then calling herself the Ascended Master Surya Ma, announced that she was [single handedly holding open the gates of time](#).
2. A few years earlier, when she was calling herself the Ascended Master Devra Ji, she told her students that the two fake doctorates she held were given to her [by the Christ in person](#).
3. She told students to her non-accredited school that the more money they gave to her, [the closer to God they would become](#). It seems that Ms. West has elevated herself to a position between Jesus Christ and God, so the only promotion she can give herself now is to announce that she is the one true God!
4. Devra West appeared in court on July 12 2007, as a witness for her porn loving wife beating son, Chris Haywood, who was seeking custody of his infant daughter from its mother, his estranged wife, Jamie Haywood. During her statement to the court, West described her business as a multibillion dollar affair. Unfortunately for her, on that very same day, the first of two damning articles appeared in the [Whitefish Pilot](#) newspaper, the second in the [Bigfork Eagle](#) newspaper, which made it clear that Devra West had just been evicted from two rental properties in quick succession and had a lien against her for \$2,600 in unpaid employment insurance. You can review details of Devra West's sordid personal life by going [here](#) to review the transcript of her testimony in court, and [here](#) to review Jamie Haywood's testimony in court.

2. As planetary regent, her auspicious presence offers the rare opportunity for private mentoring and audience for initiates, world servers and spiritual protégées. Using religious freedom laws, Devra West can tell as many lies about herself as she wishes. This 'divine being' routine is exactly the same routine

that Devra West used in New Mexico, before being chased out of that state in the middle of the night in 1995 by one gun wielding victim. It was the same routine used in Montana, before her charity was struck off for fraud in January 2004. After the [Whitefish Pilot](#), [Bigfork Eagle](#), [Ravalli Republic](#) and others published several newspaper articles in Montana, that revealed that her 'world service' efforts were in fact, a cover for a criminal racketeering business model that involved numerous counts of theft, fraud, extortion, violent assaults and at least one suspicious death; Devra West and her cult left Montana and are now operating the same tried and tested guru / cult / extortion business model in Arizona.

The latest con involves getting the sheeple to sign up for 'private mentoring' and audiences so that they can be sorted by their net financial worth and targeted for extortion (donations) as described below in this email.

3. As an instrument of mercy, she offers the phenomena of 'Divine Grace Healings' and 'karmic resolution of divine dispensation. What this criminally insane con artist is saying is that (for a price which was \$500,000 in 2002 when she was calling herself the Ascended Master Devra Ji) she can cure all serious diseases and give karmic dispensation (again for a price). Here again are some examples of Devra Patton West's 'mercy.'

From left to right: Susannah Felder; second left Beatrice McGuire; center Dr. Pat Cole MD; second from right Ingrid Smith's son; and far right the golden Labrador dog that was abused by Devra West.

Violent assaults on three female members of her cult. Susannah Felder, Beatrice McGuire and Dr. Cole MD (all employees and students). [Susannah partially scalped](#) after challenging Devra West after she caught her stealing \$80,000 from the charity. [Beatrice had part of her ear ripped off](#) in front of a crowd at a seminar after challenging West's lies. [Pat Cole was repeatedly hit over the head](#) with the heel of West's shoe until blood ran down the victim's blouse.

Devra Patton West, a deeply disturbed psychopathic person / personality, does not reserve her criminality and violence just for adults. One student, [a professional educator](#), reported that Devra West assaulted her 6 year old son. Devra West was gifted a dog by a student in 2002. Shortly afterwards, a [couple of employees](#) who worked for Devra West in her residence reported that the dog used to empty its bladder every time Devra West approached it. Here is a link to document that sets out [the protocol](#) that anyone in her presence was to observe – or else!

4. THE OMNI INSTITUTE FOR THE DIVINE SCIENCES a nonprofit institute dedicated to Rishi's teaching legacy. There is no teaching legacy. As with everything else to do with Devra West, it is all illusion, lies and propaganda. When the whistleblower was associated with Devra West in 2002 as a consultant, she would have some of the slaves in her cult dedicating their time to preparing her self-aggrandizing missives which she would self-publish. The result was that she would have storage units full of books she could not sell, but which were a written testimony to her psychosis / mental illness.

As with her previous nonprofit, which was [struck off by the authorities](#) in 2004 for fraud, Devra West will use the current 'container' to have members of her cult work for no wages or low wages on her projects which while publicized as 'world service' but which always end up as projects that fill her financial coffers at the expense of others. Below is an image of those working for her nonprofit, 'The Circle of Divine Unity,' in 2002; the same nonprofit that was struck off because Devra West was pocketing all of the public donations. In addition, many of the faces you see in this image, including the whistleblower, were the subject of theft, fraud, extortion, violent assault with one of those faces (Lisa Swidler) being murdered by Devra West to keep her from going to then police about two serious crimes West had committed.

5. REGENCY INTERNATIONAL. The Rishi's primary steering entity for benefaction of her sanctuaries, service endeavors and enterprises. This vehicle will be a way that Devra West moves vast amounts of money offshore, so that when the authorities finally move in to close down her criminal / racketeering business model, she will be able to flee abroad knowing that the tens or hundreds of millions of dollars that she has extorted from wealthy victims, will be there to fund her lavish lifestyle. As far back as 2002, when the whistleblower worked for her as a consultant, she was apparently obsessed with offshore bank accounts and made frequent trips abroad to hide the fruits of organized crime.

FBI / IRS EVIDENCE OF OFFSHORE ACCOUNTS WHERE MILLIONS OF DOLLARS FROM HER CRIMINAL RACKETEERING BUSINESS MODEL ARE FUNNELLED.

The whistleblower remembers one well documented trip made by Devra West, to meet a banker in Israel. She apparently missed her flight because she was [spending \\$2,000 of her charity's money](#) to buy a pearl necklace at the airport. This flight to Israel occurred shortly after two members of her staff overheard her jumping for joy that she had just made \$500,000 from some victim who paid her that amount in cash for a 'Divine Grace Healing.' You can review what her staff members had to say by going [here](#). Needless to say, none of that money went to her so called charity. Similarly, tens of thousands of dollars would be collected for the monks in Nepal but as stated by her bookkeeper, occasionally she would send the monks \$50.00. She still has a tab on her [current website](#) which purports to be raising funds for the monk's in Nepal. Along with her [go-fund me campaign](#) to raise thousands for her dental bills Devra Patton West fleeces the sheeple at every opportunity she can.

6. THE RISHI COLLECTION. Fine Art, Sacred Heirlooms and Antiquities. Con artist Devra West, claims that the artwork and valuables in her collection have been 'spiritually activated' whereas the truth is somewhat more interesting as these articles were stolen from her Montana charity and largely paid for by public donation. [Follow this link](#) to read a statement given under oath by Devra West in 2009, wherein she states that the artwork and valuables she stole from the charity did not exist or were stolen.

THE LIES, PROPAGANDA & DECEIT.....

Devra West told the whistleblower in March 2003, that, and I quote, "the truth does not actually matter (because she can convince the public that her lies are their truth)." Below, you can hear Devra Patton

West make this statement in her own words and hear several other telling statements that she made while being recorded by the whistleblower.

WARNING FOUL MOUTHED PLANETARY REGENT!

1. [The truth does not actually matter \(if you can convince the public and a court of law that your lies are truth!\).](#)
2. [If you sue me I'll get so f**king down and dirty, huge expenses coming out of your pocket and not mine \(because cult members would pay for her legal expenses\).](#)
3. [Yes I dispose of people like Kleenex.](#)
4. [My agreements are not worth anything.](#)

THE TRUTH IS OBVIOUS.....

OR

BUT WHAT IS IT ALL ABOUT..... THE OBVIOUS ANSWER IS ORGANISED CRIME & RACKETEERING.

Devra Patton West is the head of a criminal / racketeering business model that is predicated on her use of occult (hidden) knowledge that she acquired as a result of her use of dangerous prohibited drugs and her attendance at the '[Robert Jaffe School for Energy Mastery](#)' between 1990 & 1991, after which she declared herself an Ascended Master / minor deity no longer subject to earthly laws.

Devra West has two big things going for her.

1. Religious freedom laws allow her to tell huge lies about herself, her past, her intentions towards others and ask for huge financial donations based on those lies with little fear of prosecution for fraud and mail and wire fraud.

2. During years of substance abuse and her time at the **'Robert Jaffe School for Energy Mastery'** she acquired hidden knowledge that, by going into altered states of consciousness, she could directly affect the mental and physical well-being of others to the point of making the individuals she targets ill, causing injuries or causing their death. This 'weapon' is not recognized as a weapon under legal statute!

I do not have the space to educate others into the occult. There is plenty on the internet about shamans and their abilities. Suffice to say, Devra Patton West has targeted scores of victims and hostile witnesses in an attempt to intimidate them into silence, some of which have reported their experiences to the police. In July of 2007, no less than seven witnesses to Devra Patton West's vicious assault upon Dr Pat Cole MD all complained to the Flathead police in MT that they were the victims of occult violence at the hands of Devra West.

While the police sympathized with the victims' plight, they explained that there was nothing they could do, as the weapon used was not recognized as a weapon by law. Devra Patton West relies upon this fact and because this narcissist has repeatedly gotten away with murder (literally as well as figuratively) over the past 27 years her claims to 'divinity' become ever more ridiculous.

Above left: the Ascended Master Devra Ji as she was calling herself in Montana until 2004 when her charity got [struck off for fraud](#). Above second left: the Ascended Master 'Surya Ma' as she was calling herself in Montana from 2005 to 2010 until several newspaper articles revealed that the 'divine being' routine was a front for her criminal racketeering business model. Far right: the Ascended Master / Planetary Regent - the latest version of her 'divine being' criminal / racketeering fraud scam.

Here are the latest titles she has announced for herself.....

[The Regent of the Spiritual Hierarchy for the Western Hemisphere.](#)

[THE SAGE OF SEDONA and the RISHI OF THE WEST!](#)

CLEARLY, DEVRA WEST'S CLAIMS TO DIVINITY ARE JUST A FRONT FOR A WELL OILED CRIMINAL RACKETEERING BUSINESS MODEL THAT HAS OPERATED IN THREE WESTERN STATES OVER 27 YEARS!

Let's take a look at some of the victims, remembering that this is just the tip of the iceberg and that at least 95% of victims and witnesses are too afraid to go to the police for fear of being murdered. Even if

they do go to the police or to court, they risk ridicule and not being believed but even if they are believed they will be told that as the weapon being used by Devra West is not recognized as a weapon under legal statute there is nothing the authorities can do unless victims mount a civil lawsuit based on intent to cause harm. Because of the difficulties of bringing forward a successful prosecution against Devra West victims get no justice and Devra West drinks her own Kool Aid and believes herself to be a 'divine being.'

Here are some of the victims that we know about.

In detail...

1. The murder of Lisa Swidler. In or around the 2005 timeframe, Devra West committed in quick succession, two serious crimes against two of her students and members of her cult. (See Dave Kushner and Marion Cantwell below here). Another student / cult member, Lisa Swidler, was a witness to these crimes and as a result of what she saw, tried to leave the cult. Shortly after escaping, Lisa died suddenly and mysteriously of internal bleeding.

Lisa was a friend of the whistleblower and his wife and at the time in 2005, he thought that it was strange, but it was only after he became the subject of a murder attempt by Devra West that he became convinced that Lisa was murdered by Devra West to keep her from going to the police.

2. The attempted murder of the whistleblower. The whistleblower, like many other 'professionals' victims of fraud and extortion, was recruited by Devra West into what he thought was employment by a regular corporation. All too late, he found out he was working for a cult / criminal racketeering gang led by Devra West. After being **defrauded** out of wages and shares in 2002, the whistleblower sued Devra West for fraud; a lawsuit he won in 2008. In December 2006, the whistleblower became the subject of a campaign of occult 'under the radar' violence intended to **obstruct justice** by intimidating the whistleblower into calling off his lawsuit. In August 2007, Devra West tried unsuccessfully to murder the whistleblower, something her accomplice in crime, [Geoffrey Reynolds](#), shared with the press two weeks

before she made her failed attempt. Doubtless, Reynolds was briefed by West about other murders she had gotten away with, including that of Lisa Swidler two years earlier (see above).

3. The threatened murder of Dr. Cole MD. In 2006, a local female doctor was threatened with murder by Devra West if she did not empty her bank account into Devra West's. [Carlida Finch](#) in her statement to the authorities, states that she overheard Devra West talking about the murder of Dr. Cole MD. View the victim's comments by reading what she told the [Whitefish Pilot](#) & [Bigfork Eagle](#) newspapers. These publications also detail other criminal acts underway at the time by Devra West and her gang. Long story short, after a sustained campaign of overt and covert violence against the victim and unfavorable witnesses (designed to **obstruct justice**) Devra West succeeded in extorting \$1.3 million from Dr. Cole MD.

4. The threatened Murder of Marion Cantwell and extortion of tens of thousands of dollars. In 2005, ex-student / cult member Marion Cantwell, who had just sold her house, was **kidnapped**, falsely imprisoned and beaten until she agreed to give up part of the sale proceeds of her house to cult leader, Devra Patton West. After making a large 'donation' Marion was released and told that if she went to the police she would be **murdered**.

Above left: student / cult member Marion Cantwell. Center: a definition of a narcissist. Above right: 'Rishi Devra' the latest identity for this narcissist occult suspected serial killer; the third in 14 years.

5. Acts of Violence against Cult Members, Children and animals. Here are some examples of Devra Patton West's 'mercy.'

From left to right: Susannah Felder; second left Beatrice McGuire; center Dr. Pat Cole MD; second from right Ingrid Smith's son; and far right the golden Labrador dog that was abused by Devra West.

Violent assaults on three female members of her cult. Susannah Felder, Beatrice McGuire and Dr. Cole MD (all employees and students). [Susannah partially scalped](#) after challenging Devra West after she caught her stealing \$80,000 from the charity. [Beatrice had part of her ear ripped off](#) in front of a crowd at a seminar after challenging West's lies. [Pat Cole was repeatedly hit over the head](#) with the heel of West's shoe until blood ran down the victim's blouse.

6. Montana charity defrauded out of several millions of dollars in public donations. While working as a consultant for Devra West between January 2002 and August 2002, the whistleblower, working with and off information given by Devra West's then bookkeeper, Cheryl O'Brien, realized that Devra West and her husband, Jack West, had an elaborate multi-layer fraud in place:-

Level 1. The charity did not have separate bank accounts – all public donations went into a joint bank account owned by Devra & Jack West; most of the money being **stolen** to fund West's extravagant lifestyle, which included buying \$2,000 pearl necklaces at airport shopping malls.

Level 2. Devra West, who did not have any other source of declared income at the time, would hold three seminars a year, on behalf of the Sacred Arts Institute (owned by the charity) which would bring in about \$90,000 gross; about \$50,000 a year net of expenses. Devra West would invoice the charity \$100,000 for her 4 or 5 day appearances at these seminars thus emptying the charities bank account of the \$50,000 profit it acquired for running the seminars and putting the charity \$50,000 in debt to Devra West. Clearly the 'charity' was a charity in name only, whose objective was sucker in public donations for good causes that never came into being because Devra West **stole** all of the money.

Level 3. In January 2004, and after the whistleblower had written to the Secretary of State for Montana revealing the fraud, Devra West's charity was **struck off** for fraud. At this point, Devra West presented all the fake IOU's and claimed the charity's main asset (a property worth \$1,250,000 in 2002) in lieu of cash. Further, \$4,000,000 worth of art work and valuables, as valued in 2002, went missing and turned up ten years later at auction in Cave Creek AZ, and was advertised for sale from her website. Currently, these items can be viewed on her website as part of the '[Rishi Collection.](#)' It is clear that Devra West stole these items from the charity (**theft**) and hid them in a lock up until the statute of limitations for theft had passed. Like then, property, the artwork and valuables were substantially paid for or gifted to the charity.

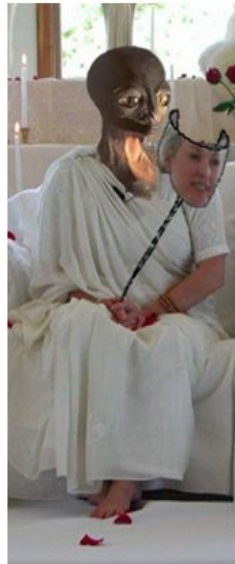

Above left; Devra West standing next to one of the items she told a court under oath in 2009 did not exist and yet in 2014 these very items, artwork and valuables worth several million dollars, turned up at auction and up on her website for sale. Center; note on Devra West's left arm the gold watch she also told the court in 2009 that was stolen. That photo, was taken from a 'go fund me' campaign intended to pay for her 'dental fees' even though she is obviously worth many millions!

It is clear that Devra West, while being deposed by the whistleblower's lawyer in October 2009, lied from start to finish about the whereabouts of the missing artwork and valuables owned by the charity. She stated that the items were lost or stolen and that she had given up all personal possessions etc. She was also asked about the whereabouts of an expensive gold watch gifted to her by a wealthy heiress (see above). West replied that it too was stolen, and yet in 2014, it too was seen on West's wrist in a photo taken while she was showing off the millions of dollars in stolen art work and valuables in Arizona.

25 Q. Did you ever have numerous pieces of art?
Page 61

1 A. At one point in time I had some art. Again,
2 a great deal of it was stolen as well.
3 (Exhibit I marked for Identification.)
4 Q. If you would take a look at that, Ms. West.
5 Have you seen that document before?
6 A. Yes, I sure have.
7 Q. Can you tell me what it is?
8 A. This was created by some of the non-profit
9 people. It was shown to me. They were trying to
10 believe at the time convince me to become involved in
11 trying to -- they were trying to not lose the
12 property down there. It was I think -- I'm thinking
13 they were late on their payments or whatever. So
14 this was created by a couple of people.
15 Most of it is pretty far-fetched. I mean I
16 can tell by looking at it that the monies -- and I
17 told them that I thought this was ridiculous. I
18 thought that, you know, it was pretty crazy. I mean,
19 I really walked away from my life. I walked away
20 from all of my possessions. All of this stuff was
21 left at Naka Shela for over a year and a half. The
22 property has been entirely furnished with my personal
23 family's furniture and so on. And by the time they
24 got around to actually transporting my items back to
25 me, well over half of it had been carted off. Entire

Page 62

1 rooms full of furniture were missing, had been carted
2 off, as well as a great deal of this.
3 Anything that was really of value has been
4 sold. I mean, I know that I sold a few things way
5 back when years ago. Do you have any other questions
6 about this? I didn't create the list.
7 Q. Who did create it?
8 A. It was not my doing. It was not something
9 that I created or wanted to create or participated in
10 creating it. I know that perhaps -- I really
11 couldn't say. I know who might have been involved; I
12 really couldn't say who actually did it. The
13 organization was so loosely formed and
14 scatter-brained, and they never really had specific
15 committees other than in lip service. You know, they
16 would come to these retreats and gather together in
17 little circles. But once everybody went home you
18 never knew who was doing what. It was pretty hard to
19 tell.
20 I think an Esther, somebody named Esther
21 that they had had for a consultant there for a while,
22 I recall her being the one who actually gave me this.
23 Q. Esther Michaels?
24 A. Maybe so, correct. I know a large gal with
25 dark hair --

Above left and right are excerpts from the statement taken from Master Liar Devra Patton West while being questioned by the Montana court about several million dollars of valuables that went missing in 2004. Top right, bottom paragraph, when asked who compiled the list of assets belonging to the charity that Devra West was shown she replied "Esther Michaels." West knew all too well that it was the whistleblower that compiled the list of assets belonging to the charity in 2002. Esther Michaels was the whistleblower's replacement and another professional screwed by Devra West as part of her guru / cult / extortion racketeering business model.

You can read Devra West's entire statement, including where she states that she is \$2,000,000 in debt and repeatedly states that Geoffrey Reynolds is the financial mastermind behind her racketeering business, by going [here](#).

7. Mike Hendrickson defrauded out of \$200,000. In or around 2004, and after Devra West’s charity was struck off for fraud, Devra West stole \$200,000 from the charity’s bank account and put it in a personal trust fund for herself and her eldest son, Rob Meador. Because ex-student / cult member Mike Hendrickson had signed a ‘note’ guaranteeing these funds at the bank, Mike Hendrickson had to cover that note by writing out a check to the bank for \$200,000. Because of the fear of being targeted and murdered, Mike Hendrickson chose not to pursue a court case against Devra West. The [Whitefish Pilot](#) mentions Mike Hendrickson briefly.

8. Dave Kushner defrauded out of \$30,000. In 2005, ex-student / cult member [Dave Kushner](#) phoned the whistleblower to advise that he had been defrauded out of \$30,000 by Devra West. Dave explained that he had agreed to loan \$30,000 to Devra West, on the understanding that it be repaid within two weeks. However, in spite of a written agreement that was signed by Devra West, the money was never repaid and Devra West refused to meet or even discuss the matter with Dave Kushner.

9. Devra West & Geoffrey Reynolds Extortion & Money Laundering. It is obvious from the statements of witnesses trapped inside the cult, that Devra West was operating a criminal racketeering business model disguised as a quasi-religious organization that hid the existence of a cult. What follows is the opening paragraph of one of several emails sent to the whistleblower by Rebecca West (no relation to Devra West) in March of 2007, when Devra West was operating in the Flathead Lake district of Montana as the Ascended Master ‘Surya Ma.’ You can read more of these harrowing emails by going [here](#).

 Subject: RE: Help me w/ Devra Patton West

Dear John,

After more than 30 employees coming and going, (16 just since I started May 1, 2006, not counting myself, current employees or contract labor), there are currently three employees remaining. Two of the three are very much in her control due to fear and/or ignorance and have proven to me, I cannot trust them. I have been trying to get the monies she owes me before I end my contact with her, specifically a missing paycheck, overtime, overdraft charges and (wishful thinking) the bonus she promised me for the hundreds of hours of overtime I incurred. She sent her intimidating demand of me through her finance controller [Geoffrey Reynolds CPA] last evening, and I have until 5

p.m. today to talk to her. I must return and either give a 2-week notice and/or plan to be demoted from office manager to some other lowly position, (seems from historical accounting, I would become her personal care assistant).

I will not return and subject myself to her violent and abusive behavior! I continue to awaken from a sound sleep (on many occasions) at 3:00 a.m. and last night being one of those nights in which I have the feeling of impending doom, and is the reason I finally really took a look at your website and contacted you. **I need support in how to deal with her shamanic witchcraft.** Can you tell me more?

I have handed over many of the statements made by former employees of which are mostly already posted on your website to Dr. Cole in an effort to assist her. **Dr. Cole was severely beaten on several occasions and proof is available.**

With all my heart, I hope and pray, the law firm that is currently reviewing her documents will help Dr. Cole recover her losses and/or dignity, as she has no money left after Devra extorted more than \$700,000 from her. Dr. Cole was forced hand over her home to Devra West and forced to sign a "Quit Claim Deed" by Devra and will be yet another assault to her credit rating.

I am aware that the only person still financially supporting Devra (the finance controller [Geoffrey Reynolds CPA] is out of money), is Dr. Julio Williams and he gave her \$100,000 last week. Devra spends money so fast that this funding will not last long. I know she has hoarded all her expensive jewels, artwork and artifacts and in addition I contemplate how much money/jewels she has stashed in order to bail herself out in the event you are able to take her down completely, or if the funding does not come through.

Reynolds was interviewed by the [Bigfork Eagle](#) newspaper on August 9 2007 and, speaking on behalf of his employer / cult leader, made the following statements:-

Reynolds claims Cole owes West \$753,484 and that colors Cole's allegations. Cole's bills for 2004-2006 totaled \$1.3 million, including \$250,000 for an "internship" under West and \$213,750 in "therapy fees" for eleven months last year. Cole managed to pay West **\$621,484**, but it didn't come easy. At one point, Cole cashed out her IRA and paid West \$293,843.

Out of six businesses mentioned in West's literature, only one remains active and in good standing with the Montana Secretary of State office -- Sacred Environments LLC. Two were never registered -- Divine Unity Foundation and Millennium Mind Institution; two were involuntarily dissolved -- Surya Enterprises Unlimited and Global Guardianship Initiative; and one was involuntarily revoked -- Sacred Archive Institute.

Besides being evicted from her Bayside home in Lakeside and bouncing a check for the purchase of the well-known Osprey House on Angel Point, West has a \$2,287 lien against her for failing to pay unemployment taxes for her Montana employees.

It is very clear from Rebecca West's email above, that Geoffrey Reynolds CPA was well aware of the criminality taking place in his place of employment and that, after loaning West \$300,000, he too was obliged to become a senior member in her criminal racketeering gang. It is also very clear that Geoffrey Reynolds knew about the violence meted out by Devra West upon Dr. Pat Cole MD, as part of a campaign to extort Dr. Cole's entire net worth from her estimated to be \$1.3 million which included a property worth \$750,000, in addition to the cash mentioned above. After all, Reynolds was in 2007 desperately trying to force a copy of West's written admission that she had assaulted Dr. Cole MD off the whistleblower's website! That statement, entitled **['The Law of Severity on the Path to Purification'](#)** had been emailed to West's entire cult mailing list.

Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.

Geoffrey Reynolds CPA 2014

In his statement to the [Bigfork Eagle](#) above, Reynolds makes it clear that he personally **money laundered** \$621,484 through West’s business Sacred Environments LLC, making it look like the money was received as part of normal business receipts. He did so after his predecessor resigned rather than be forced to ‘manufacture’ false invoices!

10. Attempted Fraud of \$30,000,000 in CPEA grant money. In or around the 2006 / 2007 timeframe, Devra West and Geoffrey Reynolds attempted to receive \$30,000,000 in CPEA grant money after filing an application that failed to mention a) the true nature of the entity asking for the monies i.e. that the corporation was a front for Devra West and her cult and that b) as stated in correspondence by [Rebecca West](#) and Devra West’s own step mother, [Carol Patton](#), at least \$2,000,000 of the \$30,000,000 applied for was to be diverted to pay off Devra West’s debts.

11. Obstruction of Justice in the matter of two custody cases involving the infant children of her son’s ex-wives. On July 12 2007, Devra West appeared in court to give statements on behalf of her porn loving / wife beating son, Chris Haywood who as it happens, has an FBI record for forgery, substance abuse and traffic violations – like mother and son. It is clear that Devra West had targeted Chris Haywood’s then wife, Jamie Haywood, using occult ‘under the radar’ violence, in an attempt to intimidate Jamie into giving up custody of her infant daughter to Devra West’s son. This is a clear attempt to **obstruct justice**. Go [here](#) to read the harrowing email that Jamie Haywood sent to the whistleblower the day before the custody hearing; note within that email Jamie’s reference to being targeted by Devra West’s occult witchcraft. Go [here](#) to read the second part of the court transcript where Jamie mentions to the court being the target of West’s occult witchcraft and describes her sordid home life with Devra West and her son, Chris Haywood. Jamie also confirms that she saw Devra West strike Dr. Pat Cole MD.

Devra West and her son failed to get custody of Jamie Haywood’s infant daughter, but what the reader should note is that a few short years earlier, Devra West and her son mounted the same strategy against Chris Haywood’s first wife, Kendal, only this time it worked. What I am saying loud and clear is that Devra West used a combination of occult ‘under the radar’ violence against Kendal which, when combined with false witnesses from her cult (Dr. Cole MD), made it possible for her to totally subvert and obstruct justice to get the outcome she wanted.

The three senior members of Devra West’s cult / criminal / racketeering business model are Geoffrey Reynolds CPA, Julio Williams MD and ex-husband Jack West.

The vermin acting in concert with Devra West and willing accomplices in her criminal / racketeering business model are from left to right: Geoffrey Reynolds CPA, Dr. Julio Williams MD and ex-husband Jack West.

These three are all aware that Devra West is running a criminal / racketeering business and that her claims to 'divinity' are predicated on her ability to use occult knowledge to commit serious financial crimes, like fraud and extortion and use that same knowledge to intimidate and silence victims and witnesses who might go to the police or challenges her 'divine being' narrative. Geoffrey Reynolds CPA is the only member of the cult to actually share this fact with the media.

Let me share each member's role within the cult / criminal gang in brief.

Geoffrey Reynolds CPA. Reynolds was co-opted into the cult like many 'professionals' before him, the whistleblower included; believing that he was applying for a post at a normal corporation, Reynolds traveled from his former employment in Cave Creek AZ to join West's employ in Lakeside MT. Shortly after arriving, he was duped into loaning his life savings, amounting to \$300,000, to Devra West after which he either became a willing accomplice in her criminal / racketeering business model or was blackmailed into joining her murderous crime spree. What follows are some of the crimes he participated in – these are the ones that we know about.

1. Fraudulently applied (with Devra West) for \$30,000,000 in CPEA grant money to build a Spa complex through correspondence from employee [Rebecca West](#) (no relation to Devra West) and West's own stepmother [Carol Patton](#) makes it clear West intended to use at least \$2,000,000 to pay off her debts.
2. Money laundered the proceeds of crime through Devra West's business as normal receipts; this after his predecessor resigned rather than be forced to 'manufacture' false invoices to make it look like approximately \$470,000 extorted from Dr. Cole to pay for an 'internship' and for 'therapy' was received as a result of 'normal' business activity. Admits as much in the [Bigfork Eagle](#) newspaper article where he was speaking 'on behalf of his employer.'

Rishi Devra has been guiding my life for many years. I am honored that she allows me to help her global awakening move forward.

Geoffrey Reynolds CPA 2014

3. Posted four statements on West's website immediately following the publication of the Whitefish Pilot newspaper article on July 12 2007, wherein he asserted that Devra West had not assaulted Dr. Cole MD even though at the time, he was desperately trying to force the removal of copy of Devra West's written admission that she had assaulted Dr. Cole MD from the whistleblower's website.

You can review his four statements of denial by following these links.

[Statement 1](#) [Statement 2](#) [Statement 3](#) [Statement 4](#)

You can review a copy of Devra West's missive to her cult mailing list entitled '[The Law of Severity on the Path to Purification](#)' wherein she admits assaulting Dr. Cole, admits that the assault was severe but administered by her with grace?? West also seeks to justify the assault by asserting that the victim was a Nazi in the WWII death camps in another lifetime.

You can review a copy of the [email Reynolds sent](#) to the whistleblower's web hosting service wherein Devra West claims copyright of her written admission that she had assaulted Dr. Cole while she, Reynolds and the rest of the cult were vehemently denying it and rubbishing the media for 'religious persecution.'

4. Reynolds was complicit in the plot to murder the whistleblower, announcing the plot to the press on August 9 2007, while being interviewed by the [Bigfork Eagle](#) newspaper reporter.

Devra West's criminal / racketeering business model is entirely based on her ability to commit murder multiple times and not be called to account. Clearly Reynolds was briefed about the murder of Lisa Swidler and thought that the murder of the whistleblower would also be a 'slam dunk' with no consequences for Devra West or himself. Why else would this scum bag announce the whistleblower's impending murder to a newspaper reporter two weeks before Devra West made her attempt.

5. In October 2009, Devra West was deposed by the whistleblower's lawyer, in an attempt to find out where she had hidden the millions of dollars she had acquired as a result of her criminal activities. During [her statement](#), West repeatedly referred to Geoffrey Reynolds as the 'brains' behind the money, asserting that she was \$2,000,000 in debt and living in an RV in the back of Reynolds's property in Lakeside MT. West also said that Reynolds and his wife, Leslie, were funding her lifestyle, making them both complicit in Devra West's organized crime / racketeering criminal business model.

Above left: Clearly, Devra West did not live in a caravan in Geoffrey Reynolds's back garden. Center and right: the property Devra West moved into just a few weeks after perjuring herself to the Montana court. The mansion was in a gated community with the rent costing \$7,000 a month.

Shortly after giving her statement and pleading poverty, Devra West's fortunes changed suddenly for the better, in that she moved into a \$7,000 a month mansion inside a gated community in Cave Creek AZ where she now operates her criminal racketeering business model.

6. In 2010, while attending court to see how much he was to be awarded for [winning his fraud lawsuit](#) against Devra West in 2008, the whistleblower was served for defamation by West & Reynolds - for [telling the truth](#). It shows how committed to West's criminality [Geoffrey Reynolds](#) was, that he was prepared not only to go before a Montana judge and make totally false statements about himself and

his relationship to the whistleblower, but that having done that, he was then perfectly willing to 'front' the pair of frivolous lawsuits so that Devra West could remain in the shadows.

Remember, Geoffrey Reynolds traveled from Cave Creek AZ to join West's employ in Lakeside MT in September 2006, and yet in Reynolds' pleadings to the Montana court below, he states clearly that he was defamed by the whistleblower between 2002 and 2006??

As one can see from an excerpt of Reynolds' resume taken from his own website (full copy available [here](#)), at the time he made these false claims to the Montana court in 2010, Reynolds did not join Devra West's employ until September 2006, and so did not know that the whistleblower existed until he was briefed about West's vendetta against the whistleblower after September 2016.

Consultant, Geoffrey L. Reynolds, CPA, 2003 to 2006. Established financial management consultancy. Provided fund raising and management advice for various publications and movie productions. Services also included tax and estate planning, forensic accounting, and developing / implementing accounting and computer systems.

So, using the unlimited resources of decades of criminal activity, Devra West was able to neutralize the whistleblower's win in court against her by using her 'liar for hire' Geoffrey Reynolds CPA, to make [false pleadings](#) to the court on her behalf – this is a criminal conspiracy.

This is what criminals do. If they cannot intimidate you or murder you - they go to law and use their unlimited financial resources to 'buy' the law they want.

7. Like Devra West, or because of Devra West, Reynolds is a compulsive liar. In addition to not knowing that the whistleblower existed, pre September 2006, but still joining with Devra West in a criminal conspiracy to bankrupt him after their murder plot failed, Reynolds statements about his duties and achievements while working with Devra West are totally false. Below is a further excerpt from the resume posted on Reynolds' website.

Selected Accomplishments

Secured funding for company start up. Newly-formed Surya Enterprises needed funding. Prepared financial projections and developed strategy for five, ten, fifteen and twenty years of operation, and crafted business plan. Working in secondary financial markets, secured \$30M in wrap loans with no expenditure of company equity.

Reynolds states in the 'Selected Accomplishments' section at the top of his website that he, and I quote, "Prepared financial projections and developed a strategy for five, ten, fifteen and twenty years of operation, and crafted [a] business plan. Working in secondary financial markets, secured \$30M in wrap loans with no expenditure of company equity." End quote.

The above is a total pack of lies, as anyone can see from the following documents that were in the public domain as early as 2007.

A. The following is an excerpt from a news article published by the [Bigfork Eagle](#) on August 9 2007 – the same newspaper that Reynolds confided in that the whistleblower was about to be murdered for going public about West's criminal / racketeering business model.

Out of six businesses mentioned in West's literature, only one remains active and in good standing with the Montana Secretary of State office -- Sacred Environments LLC. Two were never registered -- Divine Unity Foundation and Millenium Mind Institution; two were involuntarily dissolved -- Surya Enterprises Unlimited and Global Guardianship Initiative; and one was involuntarily revoked -- Sacred Archive Institute.

Besides being evicted from her Bayside home in Lakeside and bouncing a check for the purchase of the well-known Osprey House on Angel Point, West has a \$2,287 lien against her for failing to pay unemployment taxes for her Montana employees.

As for the '\$30M in wrap around loans' that Reynolds refers to, these loans were never granted because it seems that the con artist Devra West was herself conned out of a \$650,000 deposit that she paid to another pair of con artists, Wilson & Ross, who were going to provide these loans. Below are two short excerpts to the court documents, in respect of a case brought by the 'Securities Commission' against Edmund Wilson and Walter Ross.

IN THE UNITED STATES DISTRICT COURT DISTRICT OF UTAH, CENTRAL DIVISION	
SECURITIES AND EXCHANGE COMMISSION, PLAINTIFF, v. EDMUND E. WILSON, an individual, and WALTER L. ROSS, an individual. DEFENDANTS.	COMPLAINT Civil No.: 2:13-cv-00188 Magistrate Judge: Paul M. Warner

And here...

WILSON DEFRAUDS FIRST FOUNTAIN GROUP INVESTOR

20. The first sale of securities by Fountain Group occurred in September 2005. In the spring of 2005, Devra Patton-West ("West"), who had been looking for funding to build a medical spa as a high end resort, was referred to Wilson by Brennan.

So where are the \$30M in 'wrap loans mentioned by Reynolds in his resume?' The only other possibility was the fraudulent application of \$30M in CPEA grant money, but that too never materialized. Fraudulent because Reynolds would not have declared in the application for the grants that the corporations were a sham, that if there were any other directors / shareholders apart from Devra West, they were impotent because the corporation was a front for a cult / criminal / racketeering business model.

Long story short, Reynolds resume is a fiction just like West's [life journey / history](#) as quoted on her current website.

8. In 2014, Reynolds oversaw the fencing of several million dollars of artwork and valuables that Devra Patton West had stolen from a Montana charity in 2004. The items, valued at \$4,000,000 in 2002, went missing after her charity was **struck off** for fraud but turned up ten years later in Arizona after the statute of limitations on theft had expired. In 2009, while being deposed by the whistleblower's lawyer, amongst other reasons to find out where these items had gone, West denied they existed and suggested that they had been "carried off."

Above left; millions of dollars of artwork and valuables closely matching the identity of those stolen from the charity turn up at auction and as for sale from West's website in 2014. Currently these items are featured on West's website under the 'art gallery' tab. Center; Reynolds overseeing the auction of stolen property in 2014. Far right; page 61 of the statement Devra West gave under oath in October 2009 wherein she states that the items were "carried away."

For his part in Devra West's criminal / racketeering business model, and in particular, the murder plot and conspiracy to bankrupt a total stranger to please Devra West, Geoffrey Reynolds CPA has earned the accolade of 'scum.'

Scum (adj.) possibly the worst word you can have your name associated with. It is **hard** to define the word, but it is basically used to describe someone so disgraceful that they are seen as the lowest form of life. "Worthlessness", "waste of skin", "dirt". "Nothing". Far worse than most other insults, where the victim is often **just** referred to as genitalia.

Reynolds is now working for **McSwain & Co.** a respectable firm of accountants based in Olympia Washington. It is unlikely Reynolds declared his association with organized crime before being hired by them or that his resume was for the most part a fiction.

Dr. Julio Williams MD. Senior cult member, Dr. Julio Williams, distinguishes himself by the fact that he both finances Devra West's criminal racketeering business, to the tune of hundreds of thousands of dollars, but also acts as chief recruitment officer for new blood / victims to the cult. Unlike Geoffrey Reynolds who is totally corrupt, it is believed that Williams is totally brainwashed and conditioned to do as he is told. Below is a photo of Williams getting what he thinks is a blessing from his occult master, when in reality, she is just using ritual magic to bind him to her will and it seems to have worked well on him – note the confused and dazed women in the foreground.

Julio Williams MD
Accomplice to
Organized Crime

Here are a few of Julio Williams' outstanding contributions to his occult master's criminal / racketeering business model.

1. In 2005, Williams, along with two other cult members, were co-opted into [publishing a statement](#) on West's website designed both to defame and to vilify the whistleblower because he had decided to sue Devra West for fraud.

2. In 2007, when it looked like the whistleblower's website was gaining traction Williams sent a [threatening email](#) to the whistleblower designed to intimidate the whistleblower into withdrawing his website. Below is a short excerpt from that email.

Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN".

I have personally allocated Two million dollars for Dr. West defense and legal expenses. If you want to continue with your insanity go head but just know that you will have to go through me first. If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down.

Mr Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

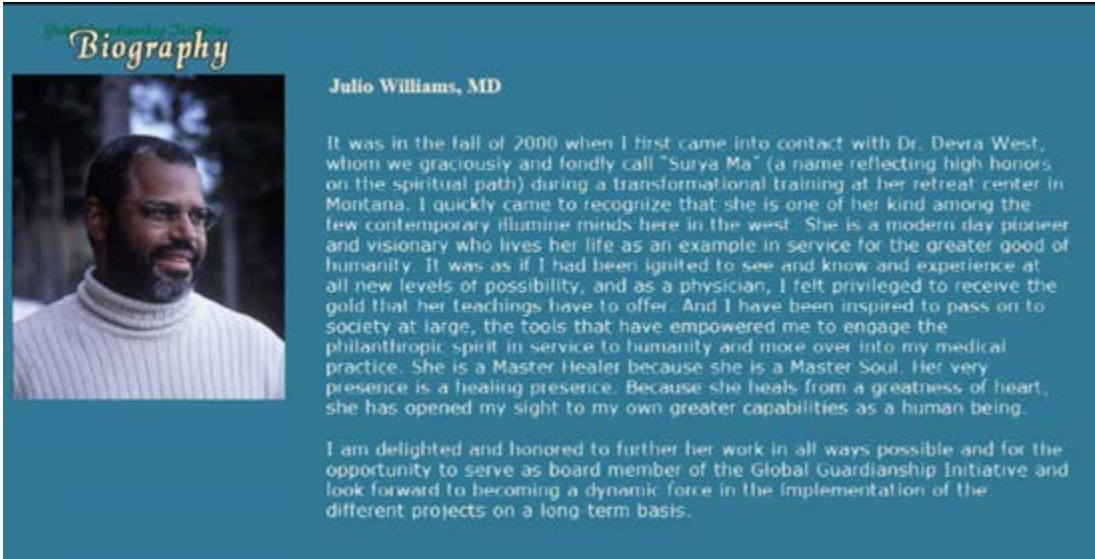

3. When the Whitefish Pilot newspaper article appeared in July of 2007, Julio Williams, like Geoffrey Reynolds and Jack West, all senior members of West's cult, also published two statements of denial on Devra West's website, even though he knew full well she was guilty and had received her written admission of guilt over a year earlier.

[Statement 1](#) [Statement 2](#)

4. Julio Williams is well aware that Devra West is a Satanist and an Occult Master, who uses her knowledge of the occult to prey on others. However, Williams grew up in the Dominican Republic where voodoo was one of the religions, so using black magic against others will seem quite normal to someone like Julio Williams. He is aware of Devra West's two arrest warrants, one in 2008 for criminal check fraud and one in 2009 for felony theft. He is aware of her conviction for assault against a fellow

physician Dr. Cole MD. He is aware that Devra West was the subject of a Sherriff's Sale to force her to pay her creditors \$2,000,000 in court fines and interest. He is aware of her multiple appearances in Montana court houses as the defendant in fraud-related lawsuits.

However, having no volition of his own, Julio Williams can only do as he is told; which explains why in 2007 he posted a gushing testimonial for Devra West on her website. Below is a short excerpt from that statement – the full statement can be viewed by going [here](#).

Biography

Julio Williams, MD

It was in the fall of 2000 when I first came into contact with Dr. Devra West, whom we graciously and fondly call "Surya Ma" (a name reflecting high honors on the spiritual path) during a transformational training at her retreat center in Montana. I quickly came to recognize that she is one of her kind among the few contemporary illumine minds here in the west. She is a modern day pioneer and visionary who lives her life as an example in service for the greater good of humanity. It was as if I had been ignited to see and know and experience at all new levels of possibility, and as a physician, I felt privileged to receive the gold that her teachings have to offer. And I have been inspired to pass on to society at large, the tools that have empowered me to engage the philanthropic spirit in service to humanity and more over into my medical practice. She is a Master Healer because she is a Master Soul. Her very presence is a healing presence. Because she heals from a greatness of heart, she has opened my sight to my own greater capabilities as a human being.

I am delighted and honored to further her work in all ways possible and for the opportunity to serve as board member of the Global Guardianship Initiative and look forward to becoming a dynamic force in the implementation of the different projects on a long term basis.

5. And then, when Devra West's 'divine being' bullshit was seen for what it was in Montana, forcing her to leave for new hunting grounds, Julio Williams MD was there, selling his cult leader as a 'divine being' to a brand new set of potential victims in Carefree AZ. [Here is a link](#) to a 2014 posting on her website asking for donations for the 'Divine Feminine' even though he knows Devra West has a long history of violence towards other women.

6. Below is a posting in 2017, showing that Williams actually rented a property close to Devra West's bullshit 'Abode of the Master's' in order to host a venue for new potential victims of Devra West's latest fraud scam i.e. 'Divine Grace Healings' selling at \$500,000 a go!

Comments from Students:

"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!" ~

Julio Williams MD, heart surgeon and devoted seeker

"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."

7. Finally, Devra West puts Dr. Julio Williams out front to recruit new 'blood' / victims for her cult because she believes that his perceived respectability as a heart surgeon will attract the 'sheeple.' Unfortunately for Dr. Williams, some of his patients do not rate him as a good doctor with one saying if you see him, "run the other way."

★★★★★ dangerous physician!!

Self-verified patient of Dr. Julio E Williams - Posted on June 24th, 2011

This MD appears caring but has a long history of not taking care of his patients post-operatively. He does not work well with the hospital staff/physicians and has had several complications and deaths. Superficially he appears ok but call his old hospitals in south texas and northeast tx.... he has been run out of each of them!! If you see him sun the other way FAST!!!!

Here is a link to that testimonial:-

Currently, Williams is the contact point for West's latest recruitment drive to attract individuals into taking up employment positions for non-existent jobs. Over the past two decades, Devra West has deceived countless professionals / senior employees into taking up what are billed as 'great career opportunities' only to find out after commencing their employment that they have joined a cult and that they are expected to 'surrender' to the will of the Master Abuser and finance her non-existent good causes. Williams is a willing accomplice in this deceit but still agrees to work in concert with his cult leader to defraud and extort money from new recruits.

Past victims of 'special word of mouth job opportunities include the whistleblower - defrauded out of \$765,000, Mike Hendrickson - defrauded out of \$200,000, Dr. Pat Cole MD - defrauded out of \$1.3 million, with the vast majority of lower level employees defrauded out of smaller amounts (details elsewhere in the is email). Below is an excerpt from a posting advertising the latest fake job offerings by West, with Williams acting as the contact person – one of his many contributions to her criminal racketeering business model. [To view the entire posting go here.](#)

This is a very special word-of-mouth job opportunity.

Jack West (ex-husband of Devra West). Jack West for the most part, plays a low profile role in Devra West's guru / cult / extortion business, being used to recruit cult members from 'meditation' groups, social media and 'meet up' groups; although I noticed Devra West has been banned from Cave Creek's 'meet up' groups. Here are some examples of his activities within the cult.

1. Victim of fraud, [Jeremy Samuelson](#), describes how ex-friend Jack West, with little experience of women and being totally 'run' by Devra West, loaned them \$10,000 and never got repaid.

2. Another example of what Jack West does in the cult can be ascertained by reading [this statement](#) from AJ White, an ex-board member of West's so called charity, which was [struck off for fraud](#) in November 2003. In her statement, AJ White describes how, after employee Susannah Felder challenged Devra West about an \$80,000 donation that West stole from the charity, Devra West partially scalped Susannah during a vicious attack. Jack West's role was to lie about the circumstances of the attack in an attempt to blame the victim for partially scalping herself!

"She remains as utterly free of wrong doing and as ethically virtuous as any human being can be."

Ex-husband and senior cult member Jack West. 2008

3. After the [Whitefish Pilot](#) published its story about Devra West's criminality and the assault on Dr. Cole MD on July 12 2007, Jack West reprised his role as 'liar for hire' by publishing a lengthy statement on his ex-wife's website. The statement asserted that the assault never took place and that the victim Dr. Cole, who been defrauded out of \$1.3 million by Devra West, was in fact part of an extortion scam (with the whistleblower) to ruin Devra West. Below is the statement of denial from Jack West posted on Devra West's website on exactly the same day as the other statements of denial posted by Geoffrey Reynolds CPA and Julio Williams MD.

Statement 1.

Clearly, Devra Patton West and her accomplices should be prosecuted under the 'Racketeer Influenced and Corrupt Organizations Act' (RICO).

https://en.wikipedia.org/wiki/Racketeer_Influenced_and_Corrupt_Organizations_Act

Pattern of racketeering activity requires *at least two acts of racketeering activity, one of which occurred after the effective date of this chapter and the last of which occurred within ten years (excluding any period of imprisonment) after the commission of a prior act of racketeering activity.* The [US Supreme Court](#) has instructed federal courts to follow the continuity-plus-relationship test in order to determine whether the facts of a specific case give rise to an established pattern. Predicate acts are related if they "have the same or similar purposes, results, participants, victims, or methods of commission, or otherwise are interrelated by distinguishing characteristics and are not isolated events." ([H.J. Inc. v. Northwestern Bell Telephone Co.](#)) Continuity is both a closed and open ended concept, referring to either a closed period of conduct, or to past conduct that by its nature projects into the future with a threat of repetition.

And...

Under RICO, a person who has committed "at least two acts of racketeering activity" drawn from a list of 35 crimes—27 federal crimes and 8 state crimes—within a 10-year period can be charged with racketeering if such acts are related in one of four specified ways to an "enterprise". Those found guilty of racketeering can be fined up to \$25,000 and sentenced to 20 years in prison per racketeering count. In addition, the racketeer must forfeit all ill-gotten gains and interest in any business gained through a pattern of "racketeering activity."

RICO predicate offenses

Under the law, the meaning of racketeering activity is set out at [18 U.S.C. § 1961](#). As currently amended it includes:-

- Any violation of state statutes against gambling, murder, kidnapping, extortion, arson, robbery, bribery, dealing in obscene matter, or dealing in a controlled substance or listed chemical (as defined in the [Controlled Substances Act](#));
- Any act of bribery, counterfeiting, theft, embezzlement, fraud, dealing in obscene matter, obstruction of justice, slavery, racketeering, gambling, money laundering, commission of murder-for-hire, and many other offenses covered under the Federal criminal code ([Title 18](#));
- Embezzlement of union funds;
- Bankruptcy fraud or securities fraud;
- Drug trafficking; long-term and elaborate drug networks can also be prosecuted using the [Continuing Criminal Enterprise Statute](#);
- Criminal copyright infringement;
- Money laundering and related offenses;
- Bringing in, aiding or assisting aliens in illegally entering the country (if the action was for financial gain);
- Acts of terrorism.

If we just take the most serious crimes committed by Devra Patton West as part of her past 'World Service' efforts in Montana, we find that there are NINE 'Predicate Offenses' that she should be charged under - some of which she has committed on multiple occasions! There are FOUR for senior cult member Geoffrey Reynolds CPA and at least TWO for senior cult member, Julio Williams MD.

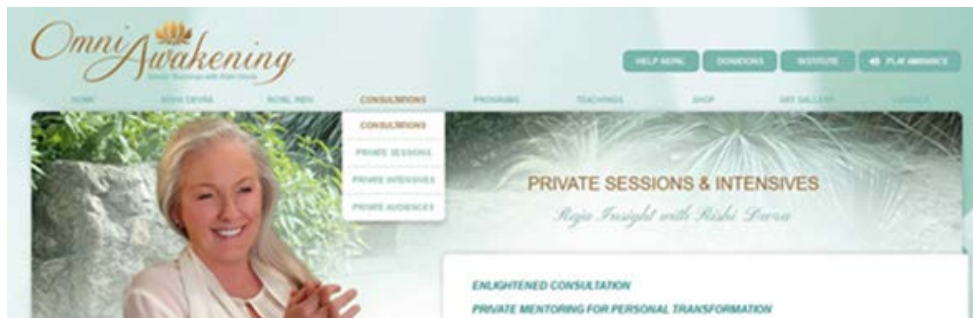

Devra Patton West: above left and far right. Her latest disguise as the Ascended Master 'Rishi Devra' the third such identity in the past 23 years. Above center: Devra West's criminal racketeering business model is made possible by the use of occult (hidden) knowledge; this knowledge is used to commit financial crimes such as fraud and extortion. The nature of the 'weapon' and the ability to call 'rent a liars' as false witnesses makes it virtually impossible to mount a criminal case against her however there have been so many crimes committed by her that a clear pattern of 'intent to cause harm' is clear.

This is how the current con works. A series of seminars are announced by the 'divine being' like these currently being advertised.....

Sedona Gateway Retreats - Intro to the Path of Enlightenment

May 26 thru 29th July 28 thru 31 Sept 2 thru Sept 5 Dec 1 thru 7

Step 1. Those identified as wealthy targets when attending [seminars like those listed above](#) are invited to attend a 'Private' Sessions or a 'Private' Intensive' as advertised on her website below here.

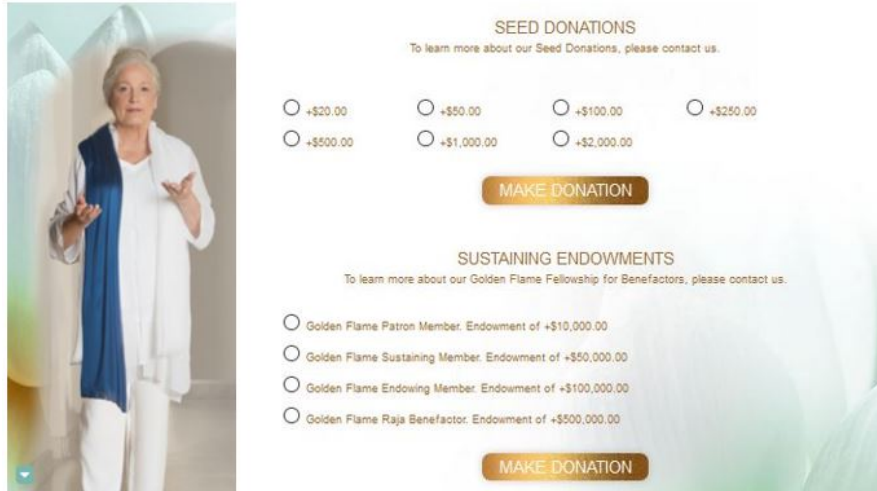

Step 2. Those targeted are duped / manipulated / pressured into believing one of the following two scenarios.

1. That they are suffering from a totally non-existent brain tumor or a cancer which Devra West guarantees she can cure for a large fee. In reality Devra West, having identified a wealthy target, induces the symptoms of a serious illness in the victim using the same occult knowledge she uses against those who oppose (see above).
2. That Devra West and the targeted individual were sisters in a former lifetime during which the target is persuaded that she betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for those nonexistent wrongs). If the target does not agree to pay the target becomes the subject of a campaign of occult attacks designed to convince them to pay!

Devra West has been perpetrating this extortion racket for at least two decades. Two of her admin staff who worked for in 2002, overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

Remember, Devra West is an Occult Master who can, using Shamanic Visioning, induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her. In the above scam, she 'induces' the symptoms in those who do not pay and then miraculously cures them after they go to her 'Pay Portal' and make a large six figure 'donation.'

Step 3. The victims go to the Sage of Sedona’s **‘Pay Portal’**, recently updated, which is now set up to receive single donations of \$500,000 or more by pressing one or a combination of buttons and empty your bank account into hers. Note her standing there with her hands out saying “give me, give me.”

This well-oiled criminal / racketeering scam has been going on for 27 years right under the noses of the FBI and the IRS. At the very least, it is wire and mail fraud! At the very least, it is illegal for a lay person, even if they are claiming to be a ‘divine being’ to be able to cure / heal someone. Apparently not so for Devra West! At \$500,000 a go, it is no wonder she can afford the trappings, clothing, lifestyle and home of a multi-millionaire even though she claims to be penniless and the funds she extorts from victims are nowhere to be seen, let alone declared to the IRS as income in her tax returns.

CAN ANYONE GIVE ANY FACTUAL EVIDENCE OF ‘WORLD SERVICE’ ON THE PART OF DEVRA PATTON WEST OVER THE PAST 27 YEARS? NO!

Please circulate this to your mailing list, as to do so may save someone in the spiritual / metaphysical community in Sedona or Scottsdale from being the victim of extortion or much worse. The 'seminars' due to be held on the following dates are clearly intended to be the latest round of 'auditions' for the next raft of victims. The dates again to avoid are:-

Walk the Path of Ruin with Devra Patton West.....

Sedona Gateway Retreats - Intro to the Path of Enlightenment

~~May 26 thru 29th~~ ~~July 28 thru 31~~ Sept 2 thru Sept 5 5 Dec 1 thru 7

Avoid these dates like the plague and advise others in the Sedona / Scottsdale spiritual communities to do the same. It must be obvious to all, that someone with a history like Devra Patton West has nothing to teach others about enlightenment!
