## Who Wants to be Operated on by a Corrupt and Dishonest Surgeon who is a 20 Year Prominent Member of a Satanist Death Cult?

Introducing Dr. Julio E Williams MD....

### Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

After the whistleblower John Watson, one of scores of victims of theft, fraud, extortion, was defrauded in 2002, he decided to go to law in 2003 in an attempt to get justice. After Watson's fraud lawsuit was launched against Patton West, she mobilized several members of her cult / criminal gang to join a vendetta against Watson; chief amongst them Dr. Julio Williams MD, who joined Patton West's Satanist Death cult in 2000. On Patton West's instructions, Dr. Julio Williams MD published the following [statement](#) on her website in 2005. Below is an excerpt of what Williams had to say:-

***"I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative."***

In 2007, acting on Patton West's instructions, Dr. Julio Williams MD sent Watson, the victim of fraud at the hand of his cult / gang leader, a [threatening email](#) which was clearly an attempt by Dr. Julio Williams to intimidate Watson into withdrawing his lawsuit against Patton West. Note Dr. Julio Williams' appalling [bedside manner](#) in the excerpt below.

Subject: The line in the sand has been drowned!

Mr. Watson,

Over the last few years I have been witness to your continuous attacks to Devra West and the nonprofit. Hear me very clearly now "THE LINE IN THE SAND HAS BEEN DROWN". If what you are after is money (and /or the Victor property) it is going to take a lot of your own personal money to try and get it. I have personally allocated Two million dollars for Dr. West defense and legal expenses.

If you want to wrestle with me in the legal arena know that I will do everything in my power to bring you down. Mr. Watson, You will have your date in court. You fuck with me and you will meet your match.

Julio E. Williams, MD

*Above: An excerpt from an email that Dr. Julio Willaims sent to a victim of fraud at the hands of his guru / Satanist cult leader. Having staked his honor and credibility on his guru's personal integrity he hoped to intimidate one of her victims into withdrawing his lawsuit against her. The victim won the lawsuit in 2008 in spite of Willaims' attempt at 'witness tampering.'*

One has to ask the question, why would an apparently well-educated physician / thoracic surgeon, and a total stranger to the victim, send the victim a threatening email within which Dr. Williams MD uses the 'F' bomb / expletive? Why would Dr. Julio Williams MD make available \$2,000,000 to Patton West so that the leader of his cult / gang could 'outspend' the victim by issuing multiple frivolous / meritless civil lawsuits against him? For that matter, why would another member of Patton West's cult / criminal gang, [Geoffrey Reynolds CPA](#), announce Watson's impending murder to the press in August 2007, the campaign of intimidation against him and his family by Patton West and then in 2010, agree to be part of a criminal conspiracy against Watson that involved Reynolds making totally [false statements](#) to a Montana court as part of a \$10,000,000 extortion scam designed to silence Watson from publicizing Patton West's past criminality.

In 2003 Watson (1) decided to sue fake guru Patton West (2) for fraud. After researching his lawsuit he found that there were scores of other victims of theft, fraud and extortion. After going public and posting his research on-line Patton West decided to murder Watson enlisting the help of senior cult member Geoffrey Reynolds CPA (3), who on August 9 2007 announced Watson's impending death and the campaign of intimidation to be launched against Watson's family. When the murder plot failed senior cult member Julio Williams MD (4) gave Patton West \$2,000,000 so that she could launch a series of frivolous (without merit) lawsuits against Watson.

The motive for Watson's murder and the lawsuits was to force down Watson's websites so that Patton West could reincarnate herself in Arizona without the truth of her criminal past in Montana contradicting the totally false 'divine' being narrative.

Above from left to right: John Watson, a victim of fraud, a failed murder attempt and a conspiracy by Patton West to bankrupt him. Motive? To stop him sharing details of her criminal past. Patton West's three identities since 1995. Devra Ji (1995 to 2005) Surya Ma (2005 to 2010) and Rishi Devra (2011 to Present). Cult members Geoffrey Reynolds CPA and Julio Williams MD.

Near the top of this page, we revealed the statement that Dr. Julio Williams MD posted on Patton West's website in 2005. Here it is again.

***"I, Julio Williams MD have also been a long time student of Surya Ma and I stake my honor and credibility on defending her personal integrity and establishing the truth. I am proud to serve on the Board of Directors of the Global Guardianship Initiative."***

What follows are a series of legal documents and news articles, i.e. **THE TRUTH**, that demonstrate beyond any doubt that Surya Ma, AKA Patton West, has no personal integrity and is not interested in the truth – period. It follows, after reading what follows, that Dr. Julio Williams MD has no honor or integrity.

## *Spiritual guru pleads guilty in assault*

A Lakeside woman who claims to espouse timeless spiritual truths pleaded no contest to one count of misdemeanor assault late Monday in an 11th-hour plea bargain.

Her trial had been scheduled to begin Tuesday at 9 a.m. in Flathead County Justice Court.

After entering her plea, Devra West was sentenced to

a six-month deferred jail term and fined \$500.

Dr. Patricia Cole of Whitefish alleged West in 2006 hit her with a shoe and shoved her.

Justice of the Peace David Ortleby issued a restraining order against West, a self-styled religious master who calls herself Surya Ma, in October 2006.

West's trial was postponed

from March 11 after she failed to show up for a March 7 pre-trial conference in Flathead County Justice Court. She reportedly was in the Yucatan participating in a documentary on Mayan prophecies.

West's trial originally was scheduled for April 2007.

Prosecutors said they offered West the same plea deal she accepted Monday about a year and a half ago.

Patton West was the subject of a [Sheriff's Sale](#) in 2008. This was to force her to pay past victims of organized crime \$2,000,000 in court fines and interest.

**In spite of being totally aware of Patton West's criminal past and the nature of her cult / criminal business model.....**

Patton West sits at the head of a criminal racketeering gang that has operated in three western states right under the noses of the authorities. She has two things going for her that make it difficult for individuals or the authorities to get a successful prosecution:-

1. Her lies, deceit and propaganda are 'protected' by religious freedom laws so this veil can describe herself as a saint with little fear of prosecution.
2. The weapon she has used for the past 27 years to facilitate crime, intimidate victims and witnesses into remaining silent and to murder those who go public is not recognized as a weapon under legal statute. For details go [here](#).

They say a picture is worth a thousand words, so below is a short pictorial history of ex bankrupt, pot grower, drug dealer and small time con artist Devra Patton West. This is the lunatic that Williams staked his honor and credibility on!

After all the negative publicity that appeared when the [Whitefish Pilot](#), [Bigfork Eagle](#) and [Ravalli Republic](#) newspapers published their news stories and, after Patton West's multiple appearances in court as the defendant in fraud related lawsuits, it was time for the cult to move out of Montana. However, before Patton West could reincarnate herself anew in Arizona, she had to force down the whistleblower John Watson's website which contained thousand of documents that clearly showed that Patton West was a dangerous criminal and not a guru. There followed two attempts to silence Watson:-

1. In 2007, senior cult members Geoffrey Reynolds CPA, while being interviewed by the [Bigfork Eagle](#) newspaper, told the reporter that John Watson would be dead within 12 months or in jail for reacting to what Patton West was going to do to him and his family. Within a matter of days of Reynolds giving his 'off the record statement' a failed attempt on Watson's life was made by Patton West. And, just as Reynolds had predicted a campaign of occult 'under the radar violence (Patton West's dirty little secret weapon) commenced and has continued to this day. For details on the failed murder plot and campaign of occult violence go [here](#).

2. Having failed to murder Watson the whistleblower, and with his website still up, Patton West's criminal racketeering business model was on hold until they could put plan 'B' into operation. That opportunity came in 2010 when, while Watson was attending court to see what the court was going to award him for winning his fraud lawsuit against Patton West, she and gang member Reynolds served Watson for defamation. They served him, gambling that he would not be able to travel backwards and forwards to the USA to defend their frivolous lawsuits and this turned out to be the case. Follow this [link](#) and this [link](#) to read about Patton West's & Reynolds' frivolous lawsuits. Part of Patton West's submission to the court was for an injunction which not only forced down Watson's websites, but forbade him from discussing Patton West's criminal past with the public.

Since this bulletin is focusing on Dr. Julio Williams' membership of a Satanist cult and his role in Patton West's criminal racketeering business model, I want to make it clear that it was **the millions of dollars that Williams made available to Patton West** that made it possible for her to neutralize Watson's win in court against her for fraud.

Below is an audio recording of Patton West in discussion with John Watson in March 2003, wherein Julio Williams' guru, Patton West, can be heard threatening Watson by saying that if he took her to court their would be huge expenses coming out of Watson's pocket but not hers because others (Williams) would pay for her legal costs. This is exactly what happened.

WARNING FOUL LANGUAGE FROM CRIMINALLY  
INSANE WANNA BE PLANETARY REGENT

1. [Devra West refers to John Watson as 'Prince Charming.'](#)
2. [West agrees she has defrauded John Watson but does not see herself paying him!](#)
3. [West acknowledges that she is a control freak and admits to disposing of people like used Kleenex.](#)
4. [John Watson advises that she will not do the same to him.](#)
5. [West goes berserk and in an expletive laden tirade accuses the whistleblower of exploiting her vulnerability! This behavior proves beyond doubt that Devra West is criminally insane.](#)
6. [West says that if Watson sues her she'll get so f\\*cking down and dirty huge expenses coming out of his pocket and not hers because Williams will pay her legal fees.](#)
7. [West says she feels stabbed in the back and f\\*cked up the arse by Watson's insistence that West pay her the \\$50,000 she owes him. West has an emotional melt down and leaves in hysterics!](#)
8. [The truth actually does not matter. \[If West can convince the public that her lies are their truth\].](#)

As a result of this conspiracy, instead of Watson getting the \$736,000 that the court had [awarded](#) him after Patton West was found guilty of defrauding him, instead Watson became the subject of a default undefended civil judgment of \$5,000,000 (for telling the truth). What is worse (or better for the upcoming criminal trial) is that Patton West's other senior gang member Geoffrey Reynolds, was persuaded to photocopy [her pleadings](#) to the court and attest in ['his pleadings'](#) that he too had been defamed by Watson so he too was awarded \$5,000,000! In true criminal gang style, immediately after receiving the award for making false statements to the court, Reynolds had to sign over the award to Jack West – Patton West's ex-husband and fourth senior member of her gang.

**THIS IS WHAT CRIMINALS DO. IF THEY CANNOT INTIMIDATE YOU OR MURDER YOU, THEY OUTSPEND YOU IN COURT! THIS MAKES WILLIAMS & REYNOLDS PART OF PATTON WEST'S CRIMINAL CONSPIRACY.**

**In spite of being aware of the above recordings which were posted on the web in 2007...**

With Watson out of the way, and the truth about Patton West's past removed from the internet, Patton West was able to reincarnate herself anew in Arizona, targeting spiritual seekers in Sedona & Scottsdale. Once the cult arrived in Arizona, and without the inconvenient truth about Patton West's past criminality on the internet, she reincarnated herself as the Ascended Master Rishi Devra and to show how pleased she was she awarded herself two new accolades:-

[The Regent of the Spiritual Hierarchy for the Western Hemisphere.](#)

[THE SAGE OF SEDONA and the RISHI OF THE WEST!](#)

What follows is Patton West's latest bio as featured on her website under the ['Rishi's History'](#) tab. All of it 100% fake and part of a massive criminal racketeering business model that has operated for 27 years in New Mexico, Montana and now, Arizona, with Patton West targeting the wealthy in Sedona & Scottsdale spiritual communities.

And this from the [same webpage](#). The [ ] brackets are mine.

The near epic range of her global experiences, from her dedication to planetary prosperity [1], to her life-changing quest for the ageless masters who appeared and disappeared into the mists of the high Himalayas is indeed groundbreaking. As a tireless servant of humanity [2], her largess of global awareness is nothing less than remarkable and her life story [3] even more so. Yet, what is inspiring for many seekers, is that Rishi Devra's homage to the divine has always been balanced by the joys and rigors of raising children and grandchildren, which she heartfully continues today as a spiritually awakened household [4].

With her illumination in full radiance, Devra continued to exemplify a 'feet on the ground' approach, expanding her focus for global awareness to a wide range of scientific and technological fields, as well as global financial systems, planetary sustainability and all aspects of human values. Organizing and attending conferences for world peace and humanitarian governance [5] increased her involvement with international leadership groups, humanitarian projects in regions of conflict, environmental initiatives and international think-tanks [6] which enabled her to gain a wide range of insight on the glaring urgency of contemporary global issues. She founded the Peace Promise Initiative in early 2000, a humanitarian endeavor that sponsored expos and seminars for world peace in the Middle East [7]. Her time spent in regions of conflict enabled her to have a visceral appreciation of the human devastation that came with the ravages of war and famine [8], and its inevitable impact on the entirety of the planetary system, all the while continually immersing ever deeper in the Divine [9]. As the founder of our institute for meditative life mastery, her hands on life approach enables her to be especially sensitive to modern life in its full context of demands, at the same time that she brings a profound eloquence to all that she does [10]. She is as practical in her pragmatic logic, as she is sublime in her divine grace.

Many books could easily be filled to the brim with the range and complexity of her global experiences [11], from her educational work on world peace and prosperity, to her life-changing quest for the ageless masters who appeared and disappeared into the mists of the high Himalayas. Yet, in the midst of a virtual plethora of worldly experience [12], the example of her endeared grandmother was a constant, as Devra's steady homage to the divine, has always been balanced by the rigors of raising children and grandchildren that continues today. As a tireless servant of humanity [13] whose coherence of authenticity [14] is ever-present, her largess of planetary awareness is nothing less than remarkable and her life story even more so. She has engaged many enlightened endeavors over the years [15] and currently is devoted to serving as a bridge for bringing the beauty of eastern sacred art [16] and antiquities to the west, as a reminder of the ancient traditions that bring devotion and meditation into creating the enduring timelessness of sacred art.

**EVERYTHING written above is a total pack of lies and has ZERO foundation in truth, as you will see from Devra Patton West's REAL biography. We will respond to the numbered points raised in her FAKE biography above.**

[1] & [2]. There is zero evidence that Devra Patton West has any interest anyone's prosperity but her own. She is also a tireless servant of her own self-interests at the expense of everyone she comes into contact with.

[3]. Her life story is remarkable in that it is totally fake and created from the imagination of a psychopathic / narcissist who believes that she can intimidate and if necessary, murder those who challenge her version of reality.

[4]. Spiritually-awakened household is a massive joke. Follow [this link](#) to evidence given in court by Patton West's daughter-in-law Jamie Haywood, explaining how Patton West got into a fight with her porn loving, wife beating son, whose face she licked from top to bottom when he forced her up against a wall by her throat. Read the daughter-in-law's [entire testimony](#) to see how sordid Patton West's home life really is.

[5], [6] & [7]. Apart from an old circa 2001 photograph of West gate crashing a peace protest in Israel (where she has offshore bank accounts) for a photo opportunity, there is zero evidence that Patton West attends leadership groups, humanitarian groups in regions of conflicts, let alone international think tanks. The whistleblower John Watson, set up the Peace Promise Initiative in 2002. That non-profit did not exist in the year 2000. A review of the [last page of the Bylaws](#) clearly show them being signed and dated [May 03 2002]. The Bylaws also show the Secretary of State for Montana's date stamp showing May 15 2002. Note Devra Patton West's signature at the top and the whistleblower John Watson's underneath hers.

Like all the other initiatives and businesses containers Patton West gets involved with, they quickly become a total financial disaster as she drains them of all finances to fund her lavish lifestyle. The newspaper article published by the [Bigfork Eagle](#) newspaper in August 2007 shows two of her 'businesses never being registered, two of them being involuntarily dissolved and one involuntarily revoked.

[8]. The only regions of conflict that Patton West has spent any time in, is her home and business environment. The second part of the [custody hearing transcript](#) held on July 12 2007, makes it clear that Patton West's home life is a war zone. And her work life is no better. Here are three statements from ex-employees; the first her ex-office manager Rebecca West (no relation) her email is entitled '[Help Me.](#)' The second is from ex-employee Carlida Finch, who overheard Patton West planning to murder Dr. Pat Cole MD if Cole did not hand over \$1.3 million to her. Carlida's [Statement of Fact](#) was part of a submission to the authorities on her unsafe working environment. Finally, there is a statement that Dr. Pat Cole gave the [Whitefish Pilot](#) newspaper in July 2007. Cole stated that Patton West repeatedly beat her over the head with the heel of her shoe until blood ran down her blouse. Then there is Patton West's attack on her student Beatrice McGuire that left the victim needing plastic surgery which West paid for. Then there is the vicious attack on employee Susannah Felder, that left Felder partially scalped. Yes, Patton West knows a lot about 'regions of conflict.'

[9]. If you believe Patton West's lies, she was immersing herself ever deeper in the divine while, robbing, defrauding, extorting, and beating both employees and students to her unaccredited school for occult studies. While immersing herself in the divine she picked up an arrest warrant for [criminal check fraud](#) in 2008, was forced to sell all her assets (those not hidden) at a [Sheriff's Sale](#) to make her pay past victims of crime \$2,000,000 in court fines and interest. Also in 2002, the whistleblower John Watson was awarded [judgment](#) against Patton West and [awarded](#) \$776,000 after being defrauded by her in 2002. In 2009 she was the recipient of an arrest warrant for [Felony Theft](#). She was the defendant in several fraud related lawsuits in Montana during this time (see below for details) and all this while immersing herself in the divine!

[10]. The reader can get a sample of that profound eloquence and divine grace by listening to just three excerpts of a 45 minute conversation that Patton West had with the whistleblower in March 2003, after he announced he was going to sue her for defrauding him a lawsuit he won in 2008. **WARNING** - eloquent and divinely graceful self-appointed deity dropping the F bomb more than once. Example 1 ([I feel f\\*cked up the arse](#)). Example 2 ([You are f\\*cking over a spiritual teacher for Christ sake](#)). Example 3 ([I'll go so f\\*cking down and dirty](#)) if Watson sues her for fraud after she admits in the same conversation that she did defraud him but does not see herself writing out a check for the money she owes him!

[11]. Many books could be filled about her criminal racketeering business model that has operated so far in three western states. States that either do not understand white collar crime, or do not have the resources to prosecute it successfully. Patton West would not get away with her crimes in the eastern states; Martha Stewart went to jail for far less.

[12]. Patton West is a dangerous psychopath and suspected serial killer. Point [4] above speaks to the sordid home life; the fact that her son has an [FBI record](#) for forgery, dangerous drugs and motor vehicle offenses is a testimony to West's mothering skills. The apple does not fall far from the tree! As far as grandchildren are concerned, there is evidence that Patton West has targeted both of her son's ex-wives in an attempt to intimidate them into giving up their female infant children to West's son, Chris Haywood. Her campaign of occult 'under the radar' violence succeeded in subverting the custody case involving Haywood's first wife, Kendal (she lost her daughter to West's son) but did not succeed a second time against Chris Haywood's second wife, Jamie, who [wrote an email](#) about it to the whistleblower. She also mentioned the occult attacks in [her testimony](#) at the custody hearing. Read [this bulletin](#) to see how Patton West uses occult knowledge to intimidate witnesses to court cases, subvert court cases and even manipulate judges to get the outcome she wants.

[13]. As you can see from the above, Patton West is a tireless servant to lining her own financial nest at the expense of everyone she meets, and why not? The weapon she uses to subdue and silence (intimidate and murder) victims and witnesses is not recognized as a weapon under legal statute, so she has been on a criminal rampage for 27 years with no sign of stopping.

[14]. Coherence of authenticity? What a friggin joke. The woman is a pathological liar, as the above shows, but here are four more well documented examples that show that Patton West is a pathological liar. Example 1. On April 17 2006, just days after Patton West had assaulted Dr. Pat Cole MD and days after the police carried out their investigation, Patton West writes to her entire mailing list sending a missive entitled '[The Law of Severity on the Path to Purification.](#)' In this missive that Patton West wants us to believe she channeled from the long dead Ascended Master El Morya, she admitted beating Dr. Cole, she admitted that the assault meted was severe but administered with grace. She went on to assert that as the victim was a Nazi in the WWII death camps (in another lifetime) that the assault was long overdue. Did I say that Patton West is criminally insane? No mention of the \$1.3 million she extorted from Dr. Pat Cole. Example 2. When appearing in court as a witness for her son on July 12 2007, West was asked by counsel if she had assaulted Dr. Cole. [Patton West replies](#) No way, no how, No! Example 3. While in court, she was asked by her lawyer if her business was a multi-billion dollar enterprise. West replied yes. Three weeks later on August 9 2007, a newspaper article was published by the [Bigfork Eagle](#) newspaper which showed that Patton West had just been evicted from two rental properties in quick succession and had a lien for unpaid employment insurance against her in the amount of \$2,287, and had just bounced a check for deposit on the purchase of a property. Example 3. The [Whitefish Pilot](#) published a news article on July 12 2007, the very same day that Patton West was telling lies at the custody hearing for her son Chris Haywood. The article reveals that Patton West was fraudulently using images of a multimillion dollar lakeside property owned by Robert & Tabby Ivy in both her brochures and on her website. She was doing this, in spite of the fact that the real owners had for 2 years being asking her not to do so. Clearly, this is all part of a massive fraud to present herself to the public as something she is not. Example 4. What follows are three excerpts from a conversation the whistleblower John Watson had with Patton West in March 2003. She did not realize he was recording the conversation. 1. [The truth does not matter](#) (if I can convince the public that my lies are their truth). 2. [My agreements are worthless.](#) 3. [I dispose of people like Kleenex.](#) This is about as authentic as it gets where Patton West is concerned!

[15] & [16]. Patton West’s criminal business model works on many levels. When operating as Devra Ji in Victor MT, she had the cult constantly fund raising for donations to fund her latest, greatest, save the planet scheme, when in reality the money went straight in her pocket. The whistleblower knew this and when he tried to fix the problem. She constructively dismissed him which led to his lawsuit. About a year earlier, employee [Susannah Felder](#) caught Patton West stealing \$80,000 from her charity and when she challenged Patton West, she was viciously assaulted and partially scalped. When the whistleblower reported the fraud the Secretary of State for Montana he struck her charity off the register by [revoking its status](#). Patton West, losing her source of income stole the charity’s main asset (worth \$1,250,000 in 2002) and put it in a personal trust fund for herself and her eldest son Rob Meador. In 2008, a judge forced the breakup of the trust to make Patton West sell those assets at a [Sheriff’s Sale](#) to force her to pay her creditors \$2,000,000 in court fines and interest. In addition to the property that she stole from the charity, \$4,000,000 (as valued in 2002) worth of artwork and valuables were stolen and hidden in a lock up for 10 years until the statute of limitations on theft expired. In 2009, while being deposed by the whistleblower’s lawyer, Patton West was questioned about these items. In her [statement](#) taken under oath, Patton West denies knowing the whereabouts of these items, acknowledges that they did exist but suggests they were stolen or hauled off. She further stated that she had given up all physical possessions. In 2014, items exactly matching the items presented to West [on a list](#) in 2009, suddenly appeared at [auction](#) and for sale from her website. Today these items can be seen on her website under the [art gallery](#) tab.

Above: Patton West is an occult thief / suspected serial killer who has operated in three western states since 1991. Under the cover of religious freedom laws, Patton West attracts wealthy spiritual seekers with a persona that is entirely fake. Worse still, Patton West is a cold blooded killer masquerading as a guru, as those who go public about her crimes find out to their cost.

**In spite of knowing that her life story / bio is totally false.**

Dr. Julio Williams continues to demonstrate that he is either mentally ill or a willing participant in racketeering and murder. He does so by continuing to ‘market’ Patton West to the public as a do-gooding guru when he knows all too well that she is a dangerous psychopath and a card carrying Satanist. Below are some recent statement from Dr. Julio Williams’ Facebook pages and from Patton West’s website.

**Julio Williams** So simple a teaching and yet so profound! Specially when one becomes the receiver of such experience through the many actions of life. Through your wisdom I have been able to integrate this teaching after so many lessons learned. Thank you Rishi Mother for your divine grace and for having the patient of ten thousands saints as you embrace us all where we find ourselves in this journey.  
My humble salutations to thy lotus feet.

Above: "Thy humble salutations to thy lotus feet." Williams is aware of her true criminal nature how could he not be? However, being a Satanist cult, the more harm, upset and grief that he and Patton West can cause to others, the more they are happy.

**Is Dr. Julio Williams mentally ill or a willing accomplice in racketeering and murder?**

And here....

**Julio Williams** Om Shri Rishi Ma Addi Ma Mataji!  
Forever grateful to the living Rishi of the Solar lineage. You who are the embodiment of that light May you continue to be the beacon of light for the destiny souls that are called to world service.  
No words will ever describe the gratitude I feel for your selfless sacrifices to open the way to those us who would take thy hand as we learn to embrace ourselves through service to humanity.

Above: Om Shri Rishi Ma Addi Ma Mataji. Dr. Julio Williams is obviously aware of Patton West's true biography / life journey having been a key part of her criminality since the year 2000. Williams is clearly being used by West to suck in spiritual seekers.

**Is Dr. Julio Williams mentally ill or a willing accomplice in racketeering and murder?**

Above: Mimicking the same propaganda as appears in Patton West's fake bio / Life story Williams uses such phrases as "Touched by her grace" and "Our Rishi mother whose wisdom, grace and spiritual mastery etc." Is Williams mentally ill or a willing accomplice in a massive deception, a monumental fraud and a senior member of a cult / criminal gang?

In 2014, Dr. Julio Williams MD posted [a public appeal](#) on Patton West's website for funds for the 'Divine Feminine' knowing that Patton West had planned to murder fellow physician Dr. Pat Cole MD if she did not pay \$1.3 million to Patton West. He also knew of the vicious assaults by Patton West on [Susannah Felder](#) and [Beatrice McGuire](#).

**Is Dr. Julio Williams mentally ill or a willing accomplice in racketeering and murder?**

The following photos taken from Patton West's website. Dr. Julio Williams MD appears to be a totally brainwashed individual that Patton West has used shamelessly to promote herself since he joined her cult / criminal gang in the year 2000.

Above: Dr. Julio Williams seen on bended knee before the leader of his Satanist cult. Is Williams' membership of a Satanist cult / criminal gang compatible with a doctor's oath to 'do no harm?' A Satanist by definition is all about harming others.

**Is Dr. Julio Williams mentally ill or a willing accomplice in racketeering and murder?**

And Patton West, shamelessly using his perceived respectability as a physician and thoracic surgeon, featured Dr. Julio Williams MD on a posting she made on her Facebook page where she invited attendees to 'Sacred Sundays with Rishi' pointing out that these would be held at the home of Dr. Julio Williams MD.

~ Our June 12th ~  
**Sacred Sunday with Rishi**  
will be hosted at the home of Dr. Julio Williams  
7390 East Stagecoach Pass Carefree, Arizona 85377  
- 10 am to 12 pm -

**Comments from Students:**

"I simply cannot imagine a training that gives so much, covers so much and cares so much. After many, many methods over the years, thank God, I have found my path. What a difference!" -

**Julio Williams MD, heart surgeon and devoted seeker**

"There are simply no words to express the profound nature of sitting with a spiritual master of the Rishi's caliber of presence. This says it all. So, one can try to imagine having a private retreat or intensive with a "virtual wellspring of living divinity," but to actually experience it, leaves one humble, immensely expanded and deeply grateful with few words that suffice that can do such an experience justice."

**Julio Williams, MD...cardiologist and thoracic surgeon, avid seeker**

Above: What could possibly be better for a con artist selling 'divine grace healings' for \$500,000 a go than to have a tame physician / thoracic surgeon on hand to verify that she is a divine being and therefore capable of delivering a miracles! Although Dr. Williams knows that all she will deliver is more organized crime, as was the case in Montana and New Mexico before that.

**There are two reasons why we know for sure that Dr. Julio Williams MD is a current member of Patton West's cult / criminal racketeering gang.**

**1.** At the beginning of 2018, and with more and more of Patton West's past criminal history turning up on the internet, Dr. Julio Williams (doubtless on Patton West's) instructions posted a statement on the web which sought to totally misrepresent the nature of the injunction Patton West had obtained in 2010.

Once again, we make the point that armed with millions of dollars supplied by Williams, Patton West was able to outspend Watson in court and 'buy' the result she wanted.

**This included an injunction forbidding Watson from discussing her past. Neither Williams nor Patton West are saying that Patton West's past as shown here and elsewhere is false, only that Watson is not allowed to share that information with the public!**

If one goes to Patton West's website by following [this link](#) you'll see a tab entitled 'LEGAL UPDATE.' This, like the rest of the content on Patton West's website is a total pack of lies. However, this particular pack of lies is published by and signed off by Dr. Julio Williams MD (see below).

Julio Williams MD

*Above left: As a director of quasi-religious organization that is a front for organized crime and murder, and someone we have shown to be a pathological liar, should Dr. Julio Williams be holding the lives of patients in his hands.*

For a full analysis of Williams' propaganda statement, which seeks to portray the court victory Patton West 'bought' with the millions of dollars Williams donated to her, [go here](#).

**2.** The campaign of intimidation against Watson and his family (that Geoffrey Reynolds announced to the press along with Watson's impending murder in 2007) continues to this day some 12 to 13 years later. Watson has been 'logging' these incidents and sending Dr. Julio Williams two or three emails a week about this matter for the past 3 to 4 years. And yet, with 400 plus emails in his possession reporting the crimes being committed by the leader of his cult, Williams has failed to turn a single email over to the police or the FBI as to do so would implicate him as an accomplice. As a 20 year student of Patton West's unaccredited school for occult studies, Williams knows exactly what Patton West is doing and has probably taken part in campaigns against Watson and other victims.

**I ask the question of Essentia Health in ND and Hendrick Medical Center TX. If their patients knew in advance, would any of them agree to be put at the mercy of a scalpel wielding pathological liar who is a 20 year member of a Satanist Death cult?**

## Essentia Health Welcomes Dr. Julio Williams

Published on September 13, 2018

Dr. Julio Williams, a cardiothoracic surgeon, has joined the Essentia Health-32nd Avenue Clinic in Fargo, North Dakota.

"I've known I wanted to be a cardiothoracic surgeon from a very young age, and I've always been fascinated by the heart and its ability to sustain the rest of the body by itself," says Dr. Williams. "The treatment I provide can have long-lasting positive effects for patients who otherwise may have a very poor quality of life and/or life expectancy, and that is very rewarding to me as a physician."

Have the medical boards of Essentia Health in Fargo ND and Hendrick Medical Center in Abilene TX considered the public relations fall out when Williams goes to trial? There have been too many serious crimes against too many victims, over too many years, for this not to go public when Williams and his accomplices go to trial. Below are some of the choice idiotic statements made Dr. Julio Williams MD who we have shown to be a kingpin in a criminal racketeering gang. Below we have three recent postings made by Dr. Julio Williams MD on his Facebook pages:-

**The current con, totally impossible without Dr. Julio Williams' help, works like this.....**

**Step 1.** Those identified as wealthy targets are invited to attend a 'Private Sessions or a 'Private Intensive' as advertised on Devra Patton West's website (see below). In the past, these have been held at Dr. Williams' personal residence rented by him for that purpose.

**Step 2.** Those targeted are duped / manipulated / pressured into believing one of the following two scenarios.

1. That they are suffering from a totally non-existent brain tumor or a cancer which Devra West guarantees she can cure for a large fee.
2. That Devra West and the targeted individual were sisters in a former lifetime during which the target is persuaded that she betrayed Devra West in that lifetime and must now, in this lifetime, make financial reparations (for the nonexistent wrongs the target committed).

Devra West has been perpetrating this extortion racket for at least two decades; two of her admin staff who worked for in 2002 overheard her say, after receiving a phone call, that she had just made \$500,000. Apparently, this was the fee paid by one victim who thought they had been cured of a condition that Devra West had in fact given them! Listen to [two of her admin staff](#), Diane Stoner and Kathleen Francisco talking about one this.

### *Rishi Regent of the Great Masters*

*As the light that stands behind leaders and world servers across the globe ....*  
*As an instrument of mercy, she offers the phenomena of Divine Grace Healing.....*  
*...and the karmic resolution of divine dispensation.*

*Above: With her brainwashed and conditioned stooge Dr. Julio Williams on hand to verify that she is capable of delivering 'divine grace healings' (if the price is right) Devra Patton West is laughing all the way to the bank. The big question is this. Is Dr. Julio Williams MD throwing his career and life away because he is a brainwashed droid or a willing accomplice?*

Devra West is an Occult Master who can, using [Shamanic Visioning](#), induce illness, injury and even death in those she targets with little chance of the crimes being connected back to her. See above in this bulletin regarding the violent occult attacks directed at John Watson and his family and many others. In the above scam, she 'induces' the symptoms in those who do not believe or do not pay and then miraculously cures them after they go to her 'Pay Portal' and make a large six figure 'donation.' With Dr. Julio Williams MD present at these 'private sessions' and 'private interviews' Devra Patton West has her own tame and totally brainwashed and conditioned physician and thoracic surgeon, who has proved many times that he will do just as he is told, however immoral or illegal.

**Step 3.** The victims go to the Sage of Sedona's '[Pay Portal](#)' which is set up to receive single donations of up to \$500,000 or more by pressing a single button or a combination of buttons. In this way, the target receives an imaginary cure and in return [The Regent of the Spiritual Hierarchy of the Western Hemisphere](#) gets to empty the targets bank account into hers. Note Devra West standing there with her hands out saying "give me, give me."

This has been going on for 27 years, right under the noses of the FBI and the IRS. It is illegal for a lay person to assert that they are able to cure someone of a health condition. Apparently not so for Devra West, and Dr. Julio Williams does not mind risking his career! At \$500,000 a go, it is no wonder she can afford the trappings, clothing, lifestyle and a home of a multi-millionaire, even though she claims to be penniless and the funds she extorts from victims are nowhere to be seen, let alone declared to the IRS as income in her tax returns.

### **HOW MUCH EVIDENCE DO THE FBI, IRS & POLICE DEPARTMENTS NEED BEFORE THEY MOVE AGAINST PATTON WEST'S CRIMINAL RACKETEERING GANG?! THE EVIDENCE IS ALL LAID OUT FOR THEM!**
